About the Fact Book

The data compiled in this Fact Book are furnished in order to provide a brief statistical profile of the college for Fiscal Year 2020 and the Fall 2020 (30th day) academic term. In addition, historical trend data are reported. Unless otherwise noted, data are shown by fiscal year.

The Fact Book may be used as a reference tool in planning, assessment, writing grant proposals, preparing reports, and other projects. While not all available data have been gathered, that which are presented here accurately reflect the major areas of the college.

The data may differ slightly from other college and Minnesota State system reports due to the use of different sources, reporting periods, or data definitions. Trends should be tracked using identical data sources over time. Please refer to the *Definitions* section for details related to the terms used within this Fact Book.

Notes:
1) Caution about the use of data is advisable when the number of "Status Unknown" exceeds 15% of the total graduates.
2) Graduates or individuals who know the graduates provided this information, including relatedness of employment to program of study.
3) "Related Employment Part-time" includes graduates who reported related employment but did not indicate the number of hours worked per week.
4) "Unavailability for Employment" includes graduates who chose not to seek work, were unable to work, or were international students who returned to their homelands.
5) "Status Unknown" includes graduates who could not be located or did not respond to requests for information.
6) Categories of employment can include some graduates who also reported continuing education but indicated that employment was their preferred classification.
7) "Continuing Education" can include some graduates who also reported employment but indicated that continuing education was their preferred classification.
8) Information on graduates who both worked and pursued further education is available in supplemental materials.
9) Sums of percentages might not equal total percentages due to rounding.
10) N/A ("Not Applicable") is displayed in the "Percent of Available" row when there are no graduates available.
11) "Related Employment Rate" is based on those in "Related Work Full-time" and "Related Work Part-time" to "Total Available for Related Work."

Developmental Education One-Year Completion Rate
*Percent Completing All Developmental Education in One Year*
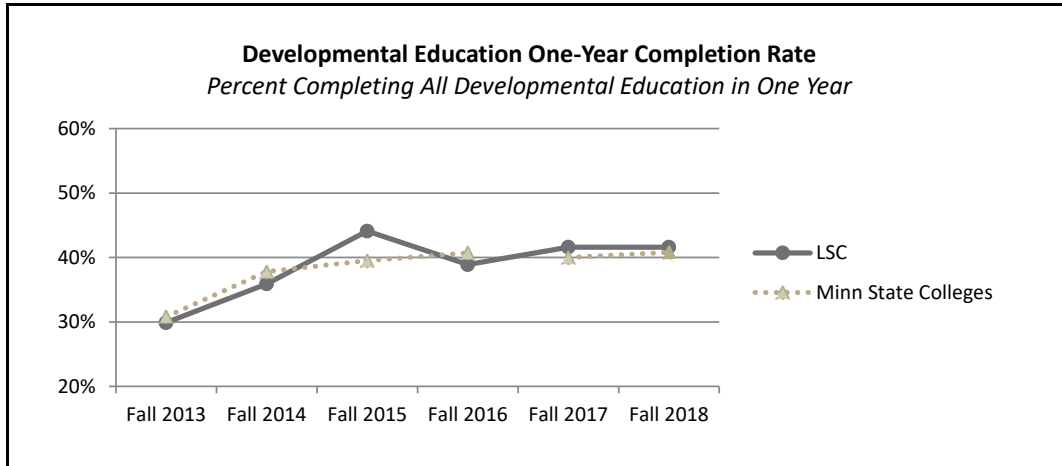

Of students who took developmental reading, writing or math within two years of the fall entering cohort term, those who completed all developmental coursework within one year.

Second Fall Student Persistence and Completion Rate
Percent Retained, Graduated, or Transferred by the Second Fall Term
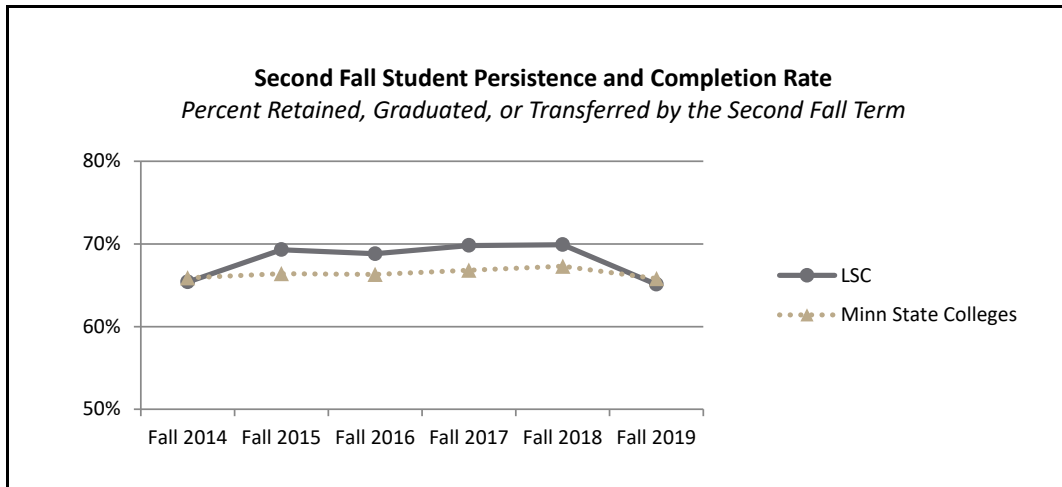

Percent of a fall entering cohort of regular and transfer students who have been retained, graduated or transferred by the second fall term following original fall enrollment.

Completion Rate
Percent Completing in Three Years
Percent of an entering cohort of undergraduate regular and transfer students that has completed. Completion is measured as graduation by the end of the third spring after entry at the colleges.

Licensure Exam Pass Rate
Percent Passing Exams
Percent of a cohort of students or graduates that passed a state or national licensure LSC licensure exam.
LSC data pertain to the Nursing and Radiological Technology programs.

Related Employment Rate for Graduates
Percent of Available Graduates in Related Employment
The percent of graduates who were available for related employment in the year after graduation who
reported they were employed during the year after graduation in a job that was related to their program or major.

NOTE: Due to the unusual circumstances surrounding COVID-19, the established standard for obtaining an 80-85% response
rate to the graduate follow-up survey was not met for the FY2019 cohort of graduates from Lake Superior College. Caution
should be exercised in interpreting survey results in that they may not be fully representative of the graduates' outcomes at large.

Definitions

Academic Year (AY) - The academic year begins with the fall term and ends with the following summer term.

CITS (College in the Schools) - A Post-Secondary Enrollment Option (see PSEO) wherein high school students receive college credit for courses taught at the high school. This is in contrast to PSEO students who receive credit for courses taught at the college or online by college faculty.

Credit Student - A student enrolled in at least one course for credit.

Customized Training courses - Contract courses, not open to the public, which are customized to meet specific company training needs. These courses may be credit or non-credit.

Developmental Course - A course designed to prepare a student for entry into college level courses.

First Generation Student - Federal Definition - A student is considered to be first generation if neither parent earned a bachelor's degree.

First Generation Student - MN Definition - A student is considered to be first generation if neither parent received any post-secondary education.

Fiscal Year (FY) - The fiscal year begins July 1st and ends June 30th, and is named for the calendar year in which the fiscal year ends. In terms of semesters, the fiscal year begins with the summer term and ends with the following spring semester.

Freshman - A student who has earned a cumulative total of fewer than 30 credits.

FTE (Full-time Equivalent) - The number of full-time equivalent students, which is calculated by dividing the total student credit hours by the number of credits constituing a full load for the semester (15 credits for undergraduates). FTE is a measure of semester enrollment.

Full-Time Student - A student who is registered for 12 or more credits during a semester.

FYE (Full-year Equivalent) - The number of full-year equivalent students, which is calculated by dividing the total student credit hours by the number of credits constituting a full load for the year (30 credits for undergraduates). FYE is a measure of annual enrollment.

Hybrid Course - A web-enhanced course with limited on-campus meeting times.

New Student - A student who first attempted credits at Lake Superior College during the reported fall semester or the preceding summer.

Non-Credit Student - A student enrolled in only non-credit courses.

Non-Traditional Student - A student who is 25 years of age or older as of September 1st of the reported fiscal year. Non-traditional students are also known as adult learners.

Non-Resident Alien - A person who is not a US Citizen and does not have a Green Card. Typically, this refers to International students living temporarily in the US.

Online Course - A course that is delivered entirely or predominantly online--also known as an internet course.

Part-Time Student - A student who is registered for less than 12 credits during a semester.

Pell-Eligible - The student is eligible to receive a federal Pell grant, which is targeted to low-income undergraduates. Pell eligibility is often used as a proxy for low-income.

PSEO Student - A high school student receiving college credit through the Post-Secondary Enrollment Options (PSEO) Program.

Retention Rate - The number of students who registered for a semester during the specified term divided by the total number of students in the cohort.

Returning Student - A student who has attempted credits at Lake Superior College prior to the reported fall semester or the preceding summer.

Sophomore - A student who has earned a cumulative total of 30 or more credits.

Success Rate - The sum of the number of students in the entering cohort who have graduated, transferred, or are retained at the college during the specified term divided by the total number of students in the cohort.

Transfer Rate - The number of students enrolled at another post-secondary educational institution divided by the number of students in the cohort.

Underrepresented Student - A student who meets one or more of the following criteria: (1) Student of color, (2) Low-income, (3) First-Generation student.

Unduplicated Headcount - The number of distinct students enrolled over the course of a year. Each student is counted only once, regardless of the number of terms the student is enrolled within the year.
