

LAKE SUPERIOR COLLEGE

Dear Faculty,

I hope your school year is going well. As the head soccer coach for the men's team, one of my responsibilities is to monitor the academic progress of our student-athletes.

We take a great deal of pride in the efforts put forth academically by our players. In order to continue our classroom success, we would appreciate your help by completing the grade report below. Your assistance will allow us to monitor our athletes' eligibility as it relates to LSC and NJCAA regulations.

Please return this report via campus mail to Linda Kingston or scan and email to linda.kingston@lsc.edu.

Thank you for your cooperation and support.

Sincerely,

*Anthony Wood
Head Men's Soccer Coach*

*Caitlyn Wood
Head Women's Soccer Coach*
