

## CODE OF CONDUCT

As representatives of the College, student-athletes are among the most visible students on campus and in the community. As such, they serve as role models, mentors and spokespeople. LSC, the athletic program, and the student-athlete all benefit from this relationship. However, this relationship brings with it a unique set of responsibilities. Personal action of student-athletes, both on and off campus, becomes public knowledge

As a student who represents the College in intercollegiate athletic competition, I

- Will make the attainment of an academic degree a high priority.
- Will abide by all college policies and procedures.
- Will abide by the rules and policies of the NJCAA and the MCAC.
- Pledge to demonstrate responsible citizenship, sportsmanship, honesty, and integrity on the field or court, on the campus, in the local community, and to otherwise represent LSC in a manner that brings pride to me and the College.
- Will be a responsible member of each class, which includes attending, being prepared, completing requirements, treating everyone with respect and participating at the level expected of all students in the class.
- Will abide by all sport-specific team rules (as issued by the Head Coach), and the expectations of the Student-Athlete Handbook
- Acknowledge that any violation of the Student-Athlete Code of Conduct or the LSC Student Code of Conduct, will result in appropriate discipline as determined by my Head Coach, the Athletic Director, and/or Vice President of Academic and Student Affairs.
