This student is currently enrolled at LSC as a PSEO student. In an effort to be aware of their academic status before registering for the next semester, I am requesting your verification that this student is attending and passing your course. It is important that I am aware of any academic concerns for this student since the courses taken at LSC have direct impact on earning his/her high school diploma.

Please sign below if this student is currently attending and passing your course. If this is not the case, please provide me with some documentation if possible. You can call me, e-mail me, or put this information in my mailbox. Thank you for your time and assistance.
