

LAKE SUPERIOR COLLEGE
Course Outline

Course #: ART1116

Course Title: Painting 2

3 Credits HOURS PER WEEK: 1 hrs. Lec. 4 hrs. Lab 0 hrs. OJT

Catalog Description: Advanced painting concepts and strategies exploring alternative avenues to expression, technique, and methods of painting.

Fulfills MTC Goals: (2) Critical Thinking and (6) Humanities and Fine Arts

Prerequisites: ART1115 or instructor's consent

Course Outcomes: The student will:

1. Engage in the creative process:
 - Create works that demonstrate advanced levels of skill in using various painting materials and techniques.
 - Improve skill in integrating medium, subject matter, and artistic expression
 - Experiment with new approaches to form and content
2. Respond critically to works in the arts:
 - Demonstrate an understanding that painting reflects factual, creative, rational, and value sensitive modes of thought
 - Demonstrate an awareness of the scope and variety of traditional and contemporary paintings and painters
3. Articulate an informed personal reaction to works in the arts.
4. Demonstrate an awareness of the scope and variety of traditional and contemporary paintings and painters.

Course Goals/Focus/Content (if applicable):

A study of artistic style, individual goals, technical problems, and innovative studio practices, including ways to develop a subject with clarity and content, pluralistic aspects of contemporary art, and analyzing finished paintings..

Student Responsibilities: (Note to faculty: must include those listed below. Any others you require are to be listed on the syllabus, not this outline form.)

1. Assessment. Students may be required to participate in college-wide assessment activities as part of this course. Such activities may include course or instructor evaluations, testing, or special assignments.
2. Student Code of Conduct. Charges of academic misconduct will be brought to the attention of the student and disciplinary action will be taken. See the LSC Student Code of Conduct, Policy 3.6.1, Part 6 for further details.
3. Non-attendance. Students are expected to attend classes regularly and are advised to officially withdraw from courses if they should stop attending. The College's Non-attendance Policy requires instructors to report students who are not attending class(es), resulting in the automatic issuing of an "FN" (failure for non-attendance) grade and re-evaluation and possible repayment of financial aid. Please refer to the LSC Policy 3.17.4 for additional information.
4. Student Success Day. This semester, Student Success Day will be on __/__/__. All students are strongly encouraged to participate in Student Success Day activities.

Additional Related Information:

1. Disabilities. Individuals who have a documented disability which might affect their ability to perform in this class are encouraged to contact the College's Disability Coordinator, S1911, 218-733-7650 (voice), 218-733-7705 (TTY), at the start of the semester to discuss possible accommodations. All discussions will remain confidential.

2. Tutoring. Free tutoring is provided in the Learning Center (E2120) Monday-Saturday in many subjects. Walk in or make an appointment (733-5927). The most current tutor schedules/hours can be found online.

Evaluative Techniques and Grading Scale: (Multiple methods of assessment must be used. *These are spelled out on your syllabus.)

NOTE: This Course Outline is the official document on file for this particular course. The actual course syllabus must contain all of this material and other information specific to you as the instructor.
