

LAKE SUPERIOR COLLEGE
Course Outline

Course #: ART1165

Course Title: Introduction to Metal Art/Jewelry

Credits: 3 **HOURS PER WEEK:** 1 hr lecture, 4 hrs lab

Catalog Description: An introduction to basic hand-fabrication techniques and processes using non-ferrous metals as small sculptural forms or jewelry. Avenues of study include layout, shaping and fitting mating parts, finishing and hand-soldering of projects. Students are required to purchase hand tools and pay a personal property fee.

Fulfills MTC goals: MTC goal areas: (6) Humanities and Fine Arts

Prerequisites: None

Course Outcomes:

The student will:

1. Demonstrate awareness of the scope and variety of works in the metal arts and jewelry area
2. Engage in creative process
 - a. Demonstrate beginning levels of skill in basic hand-fabrication techniques and processes.
 - b. Demonstrate beginning levels of skill in design and layout
3. Respond critically to works in the metal arts and jewelry area
 - a. Describe, analyze, interpret and evaluate works of art
 - b. Demonstrate a basic understanding of the art elements and principles as they relate to metal arts
4. Articulate an informed personal reaction to works in the visual arts
 - a. Use the vocabulary of visual art
 - b. Make and support personal interpretations and evaluations of metal art and jewelry works

Recommended class size: 20

Student Responsibilities: (Note to faculty: must include those listed below. Any others you require are to be listed on the syllabus, not this outline form.)

1. Assessment. Students may be required to participate in college-wide assessment activities as part of this course. Such activities may include course or instructor evaluations, testing, or special assignments.
2. Student Code of Conduct. Charges of academic misconduct will be brought to the attention of the student and disciplinary action will be taken. See the LSC Student Code of Conduct, Policy 3.6.1, Part 6 for further details.
3. Non-attendance. Students are expected to attend classes regularly and are advised to officially withdraw from courses if they should stop attending. The College's Non-attendance Policy requires instructors to report students who are not attending class(es), resulting in the automatic issuing of an "FN" (failure for non-attendance) grade and re-evaluation and possible repayment of financial aid. Please refer to the LSC Policy 3.17.4 for additional information.
4. Student Success Day. This semester, Student Success Day will be on __/__/__. All students are strongly encouraged to participate in Student Success Day activities.

Additional Related Information:

1. Disabilities. Individuals who have a documented disability which might affect their ability to perform in this class are encouraged to contact the College's Disability Coordinator, S1911, 218-733-7650 (voice), 218-733-7705 (TTY), at the start of the

semester to discuss possible accommodations. All discussions will remain confidential.

2. Tutoring. Free tutoring is provided in the Learning Center (E2120) Monday-Saturday in many subjects. Walk in or make an appointment (733-5927). The most current tutor schedules/hours can be found online.

Evaluative Techniques and Grading Scale: (Multiple methods of assessment must be used. *These are spelled out on your syllabus.)

NOTE: This Course Outline is the official document on file for this particular course. The actual course syllabus must contain all of this material and other information specific to you as the instructor.
