

## GI BILL BENEFITS

What to do if I haven't received my payment yet.

1. Check with VA Rep to make sure you have been certified.
2. Check the WAVE system to make sure you self-certified @1-877-823-2378 or [www.gibill.va.gov](http://www.gibill.va.gov). This is for chapters 1606 & 30 (not 1607 REAP).
3. Call VA office in St. Louis (1-888-442-4551) with any problems or questions you may have.

Remember:

It takes 60-90 days to process new paperwork.

You must self-certify no sooner than the last day of each month.

The responsibility of the VA Rep is to certify only.

All questions should be directed to VA office in St. Louis.
