Happy Finals Week!

Manufacturing Students Put Their Designs to Test at Task Robot Competition

Robots designed and built by **Integrated Manufacturing student teams** were put to the competitive task last Monday and were featured on [Fox21](#) and [WDIO](#) news. The bots had to pick up steel marbles of a specific quantity and move them from container A to container B while traveling through an obstacle course. They were judged on staying within the course, the number of marbles deposited, and the amount of time needed to complete the task.

Students Display Works of Art in Fall Semester Art Exhibit

Students enrolled in **LSC's popular art courses** displayed their work last week for the fall semester art exhibit. For many of the approximately 350 participating students, it was their first-ever exhibition.

Students presented a variety of art, including watercolor, sculpture, jewelry, digital photography and drawing, painting, drawing, two and three-dimensional design projects, graphic design and ceramics.
