**Lake Superior College dominating local and state headlines!**  
LSC's manufacturing program and related bonding request has been featured in the [Star Tribune](#) and [Duluth News Tribune](#) this past week, and will be featured on WDIO tonight. There was also an article in the [Duluth News Tribune](#) yesterday highlighting the free welding classes for high school students offered in partnership between LSC and Altec.

MANUFACTURING

## As manufacturing workforce retires, Lake Superior College provides pipeline of talent

Skilled workers are in high demand, and placement in well-paying manufacturing jobs is nearly a guarantee.

Written By: Jimmy Lovrien | Feb 24th 2020 - 6am.

Freshman Benjamin Bijold uses a surface grinder to grind parallels at Lake Superior College on Thursday, Feb. 6. Bijold spent three hours working on the parallels the day before and planned to spend five hours that day. (Tyler Schank / tschank@duluthnews.com)

## Student Art Club Throw-a-thon Makes Bowls for Second Harvest North Central Food Bank

Students and area artists joined forces last weekend to create hundreds of bowls to be used in a fall fundraising event in Grand Rapids for the Second Harvest North Central Food Bank. Organized by the LSC Student Art Club, the volunteer event has been held at Lake Superior College for more than twenty years, helping support regional food shelves.

## Fantastic conversations and positive energy at Minnesota State Day at Capitol

Lake Superior College President Rogers and VP Fanning spoke with Governor Walz, dozens of legislators, and colleagues from throughout the Minnesota

State system about the importance of LSC's manufacturing workforce bonding request for our community, region and state, as well as the importance of keeping tuition affordable, Higher Education Asset Preservation and Replacement (HEAPR) funding and other legislative priorities.

## Intercultural Center Celebrates Black History Month with Own Mine Artists

LSC's Intercultural Center presented "Own Mine," a hip hop cypher spoken word and music performance that featured after-performance interviews led by host Sandra Oyinloye with artists Royalty, Young Casper, UrkelX, Di Jay, Jaygee and Seyi. The group was featured in the [Duluth News Tribune](#).

## Lake Superior College Foundation Awards Four Machine Tech Students with Toolbox Scholarships Worth Over \$1,500

The LSC Foundation teamed up with LSC instructor Max Udovich and members of the Arrowhead Manufacturers & Fabricators Association (AMFA) to offer these deserving students toolboxes filled with needed equipment worth over \$1,500 each. The students are able to use the equipment immediately and, upon successful completion of the program, will be able to keep the toolboxes and tools. We are grateful for the generous support and

contributions from community and industry partners who help make this student support possible. Thank you!
