## LSC Foundation awards 3 Toolbox Scholarships, worth about \$2,000 each, to machining students

Three students in Lake Superior College's Machine Tech Program, at the downtown campus, were awarded toolboxes from the LSC Foundation. Each toolbox, filled with tools, is worth nearly \$2,000 each. This annual tradition is made possible thanks to generous contributions from community and

industry partners to the Foundation. Check out the great media coverage on [CBS 3](#), [KBJR 6](#) and [Fox 21](#).

## LSC's Dental Hygiene Clinic offering free dental services for children on April 20 and 22

Lake Superior College and the Lake Superior College Dental Hygiene Clinic will offer free pediatric dental services on Tuesday, April 20 and Thursday, April 22 to any child 18 years of age and younger in the Duluth and surrounding area. Learn about the services offered and how to schedule an appointment at [www.lsc.edu/dentalclinic](http://www.lsc.edu/dentalclinic).

# Sign up for the COVID-19 Vaccine Connector

The State of Minnesota has launched the [COVID-19 Vaccine Connector](#), a new tool to help Minnesotans find when, where, and how to get their COVID-19 vaccine. All state employees, who are Minnesota residents, are encouraged to sign up on the [Vaccine Connector](#). Signing up means you will be alerted when you are eligible for vaccination, connected to resources to schedule an appointment, and provided vaccination opportunities in your area.

When you [sign up](#), the form asks what industry you work in. Higher Education is not explicitly listed as an industry in the drop-down menu. Like most state employees, we are encouraged to select "Other/None" and put "Higher Education" or "Government" in the description box.

Add your phone. Fight COVID-19. Download the COVIDaware MN app.

Add your phone to the fight against COVID-19! COVIDaware MN notifies you if you've been exposed to COVID-19, and you can anonymously alert others if you test positive.

Learn more and download the app at [covidawaremn.com](https://covidawaremn.com).

## COVID-19 Related Updates

Thank you for all you're doing to help stop the spread of COVID-19. It's working! We know we're not out of the woods yet, but we're moving in the right direction and everything that you're doing is working so please continue to mask up, wash your hands, keep your distance, get tested, stay home when you're sick, and continue to do everything possible to keep yourself and others safe.

You can always stay up to date on the latest COVID-19 related info at [lsc.edu/coronavirus](https://lsc.edu/coronavirus). The Minnesota State [dashboard](#) is updated weekly and serves as a tool to inform campus communities about changes in COVID-19 cases and community spread.

Please remember to continue to complete the online [COVID-19 Self-Assessment](#) each day you will be on campus.

**We hope you have a happy and SAFE spring break.** As a reminder, both the CDC and MDH are still recommending that people not travel if they don't have to. However, if you do plan to travel, please be as safe as possible and be aware of the testing and quarantine requirements based on where you are traveling to/returning from, as they may vary, even if traveling domestically.

If you are traveling outside the state, it is strongly encouraged that you get tested before and after your trip. Ideally you would be tested a week before you leave, and then within 5-7 days upon return.

The Minnesota Department of Health suggests the following:

*Domestic Travel:*

1. *People visiting or returning from travel out of state are asked to stay away from others (quarantine) for 14 days after they arrive in Minnesota, even people who have gotten a COVID-19 vaccine.*

*International travel:*

1. *Quarantine for 14 days is preferred by MDH,*
2. *However, if they have no symptoms and no one in their immediate household is positive they can return to campus after 10 days,*
3. *Or, if they test 3 to 5 days after they return AND the test is negative AND there is no one in their immediate household that is positive AND they are not symptomatic, they can return after 7 days.*

Students returning home for school breaks are strongly encouraged to follow the recommendations available at [Institutes of Higher Education](#).

[MDH Guidelines for Domestic and International Travel](#)

[Quarantine Guidelines for COVID-19](#)

## Upcoming Events and Campus Updates

- March is Women's History Month and International Women's Day is March 8. Please join us as we celebrate throughout the month, including a virtual roundtable discussion at noon on March 17 with four impressive, local college and university presidents, including LSC President Dr. Patricia Rogers as well as leaders of The College of St. Scholastica, University of Wisconsin-Superior, and Fond du Lac Tribal

and Community College. Zoom meeting ID: 914 0068 4543, passcode: Leadership.

- This week is Open Education Week, an annual celebration and opportunity to share and learn about the latest achievements in Open Education worldwide. Lake Superior College's Z-Degree, the zero textbook cost associate degree, uses open education resources, open text books, and zero cost materials in more 70 courses this semester, saving students thousands of dollars. Learn about [LSC's Z-degree](#).
- There are patient openings at LSC's [Physical Therapy Clinic](#) and [Dental Hygiene Clinic](#). These clinics offer affordable care for patients and a great opportunity for students to hone the skills they're learning!
- You're invited to a Zoom presentation titled, "Privilege: What it is, what it is not, and how it shows up in our lives," Tuesday, March 16, 3-4 p.m. This interactive chat aims to help participants understand how the concept of privilege works and how different types of privilege influence the way people navigate daily situations. Hosted by the Intercultural Center.
- [LSC's Aviation Open House](#) will be held Friday, March 19, 3:00-6:00 p.m. at LSC's Center for Advanced Aviation. Check out labs, the aviation fleet and flight simulators, learn about programs, and apply for free to LSC. [RSVPs required](#).
- Don't have time to commit to a four-hour dental appointment at the Lake Superior College Dental Hygiene Clinic? Consider getting radiographs completed at our clinic in just 15-45 minutes. These digital images can be forwarded to your home dental office - saving you time at a future dental appointment AND giving our students a valuable learning experience. Contact the [Dental Hygiene Clinic](#) to schedule your appointment.

If you have any story ideas, pictures/videos you'd like to share and/or info on upcoming events, please send them to [marketing@lsc.edu](mailto:marketing@lsc.edu) so we can include them in the newsplash and/or our LSC's official social media pages. Thanks for helping promote all the exciting things happening in #IceHawkNation.
