LSC's aviation maintenance students visit the 148th Fighter Wing

Students in LSC's [Aviation Maintenance Technician](#) program visited the 148th Fighter Wing last week to learn more about many diverse aviation-related careers at the airbase including the fuel shop, weapons load shop, aerospace ground equipment, nondestructive inspection, and the aircraft electric shop. Students also enjoyed a tour of the main hangar and spoke with many aircraft maintenance experts at the airbase. We are grateful for our strong partnership with the 148th and their service to our community and country.

Exciting progress on Hawks Landing!

There's exciting progress being made on Hawks Landing, the new student lounge area and event center located on the second floor of the main corridor. The flooring is being installed, and some furniture has been delivered with more on the way. Construction is on schedule to be completed in the next couple of months!

CRRSAA

Coronavirus Response and Relief Supplemental Appropriations Act

FUNDING FOR STUDENTS

LSC students to receive CRRSAA funding this week

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), which was signed into law on December 27, 2020. In total, the CRRSAA authorizes \$81.88 billion in support for education, in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act. Lake Superior College administration, in close consultation with the LSC Student Senate and other student groups, has set up a disbursement plan to distribute more than half of the funding directly to students. The plan has been approved by President Rogers and the Minnesota State system office.

LSC successfully distributed \$1.8 million in CRRSAA funds to students today, March 31, in \$500 and \$750 increments. The upload to Bank Mobile is currently in progress and most students will have access to the funds in the coming days. More information will be sent out via email to students, and updates will be made available on our website and social media. We know this has been a difficult year for many, and we are grateful for this federal support for our students and campus.

Sign up for the COVID-19 Vaccine Connector

The State of Minnesota has launched the [COVID-19 Vaccine Connector](#), a new tool to help Minnesotans find when, where, and how to get their COVID-19 vaccine. All state employees, who are Minnesota residents, are encouraged to sign up on the [Vaccine Connector](#). Signing up means you will be alerted when you are eligible for vaccination, connected to resources to schedule an appointment, and provided vaccination opportunities in your area.

When you [sign up](#), the form asks what industry you work in. Higher Education is not explicitly listed as an industry in the drop-down menu. Like most state employees, we are encouraged to select "Other/None" and put "Higher Education" or "Government" in the description box.

Add your phone. Fight COVID-19. Download the COVIDaware MN app.

Add your phone to the fight against COVID-19! COVIDaware MN notifies you if you've been exposed to COVID-19, and you can anonymously alert others if you test positive.

Learn more and download the app at covidawaremn.com.

COVID-19 Related Updates

Thank you for all you're doing to help stop the spread of COVID-19. It's working! We are not out of the woods yet, but we're moving in the right direction and everything that you are doing is working so please continue to mask up, wash your hands, keep your distance, get tested, stay home when you're sick, and continue to do everything possible to keep yourself and others safe.

You can always stay up to date on the latest COVID-19 related info at lsc.edu/coronavirus. The Minnesota State [dashboard](#) is updated weekly and serves as a tool to inform campus communities about changes in COVID-19 cases and community spread.

Please remember to continue to complete the online [COVID-19 Self-Assessment](#) each day you will be on campus. Thank you!

Upcoming Events and Campus Updates

- The Downtown Center will host an Integrated Manufacturing Open House on Thursday, April 8, 12:00 - 3:00 p.m. To help ensure the safety of all in attendance, RSVPs are required, and tours will be spaced out and limited to small groups. RSVP at lsc.edu/DowntownOpenHouse.
- The [Erickson Library](#) is here for everyone! LSC employees have access to all of the services the library has to offer, including but not limited to thousands of print and electronic books, magazines, movies and more! Interlibrary loan materials are also available from partner libraries across the state.
- There are patient openings at LSC's [Physical Therapy Clinic](#) and [Dental Hygiene Clinic](#). These clinics offer affordable care for patients and a great opportunity for students to hone the skills they're learning!
- Don't have time to commit to a four-hour dental appointment at the Lake Superior College Dental Hygiene Clinic? Consider getting radiographs completed at our clinic in just 15-45 minutes. These digital images can be forwarded to your home dental office - saving you time at a future dental appointment AND giving our students a valuable learning experience. Contact the [Dental Hygiene Clinic](#) to schedule your appointment.

If you have any story ideas, pictures/videos you'd like to share and/or info on upcoming events, please send them to marketing@lsc.edu so we can include them in the newsplash and/or our LSC's official social media pages. Thanks for helping promote all the exciting things happening in #IceHawkNation.
