LSC in the News

LSC Commencement 2021

While some are able to hold ceremonies in person, Lake Superior College kept theirs virtual, in an effort to keep the 800+ graduates and attendees safe during the pandemic. Read story on [WDIO](#).

Near campus housing

The near campus housing project is slowly but surely moving forward despite the recent spike in lumber and building material costs. The modified building is set to break ground later this summer, with the main goal of keeping rents affordable for students. See full stories on [KBJR 6](#) and in the [Duluth News Tribune](#).
