Fall Semester Now Underway, Welcome IceHawks!

We're so excited to welcome new and returning students, as well as welcome more faculty and staff back to campus for fall semester. Our halls, classrooms and parking lots have been busy. It's awesome to see all the activity and feel the positive energy. Kickoff events and welcome week activities have been a huge success. Thank you to everyone who has helped

make our students, and employees, feel welcome, safe and supported. Wishing you all a safe, successful and fun fall semester!

Exciting new spaces and services on campus

Hawks Landing now open

[Hawks Landing](#), our new student lounge and event center, is now open! Crew are still finishing up a few things in the space, but please feel free to stop by and check it out on the second floor of the L building (above Yellow Bike, which opened a year ago this week!) All are welcome to use the space for studying/small group work, or just a quiet place to relax by the fireplace and/or enjoy the beautiful views of the harbor.

The Center for Equity and Inclusion opens in new location

Formerly the Intercultural Center, LSC's new Center for Equity and Inclusion is now open across from Student Life. The Center for Equity and Inclusion strives to be a place that is welcoming and safe for all students, staff and faculty who are looking for a place to grow, engage, eat, relax and socialize. Everyone is invited to stop by and check out this expanded space and all of its amenities.

Affinity Plus Credit Union joins campus community

Affinity Plus Federal Credit Union is excited to open its newest branch on LSC's main campus, and we're excited to have them as part of the LSC campus community!

Students and staff at Lake Superior College are eligible for credit union membership, providing access to great banking services, a connection to the community, and a resource for financial questions and planning. As Affinity Plus members, IceHawks can get some great benefits including an ATM on campus, digital banking and a top-rated mobile app. They can also learn about finances in a supportive and non-judgmental environment and to create a plan to work toward their financial goals.

All are also welcome to stop by for a quiet place to charge their devices and study by the fire.

Mask Up and Take the Shot, IceHawks!

Safety remains our highest priority. Masks/face covering are once again required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status.

Vaccinations: Minnesota State is following the guidance from the State of Minnesota and Minnesota Department of Health on vaccinations of our students and employees.

All state workers, including all LSC employees, must either be fully vaccinated or be tested for COVID every week beginning September 8. Employees are able to find additional information on available vaccines at www.mn.gov/covid19. While students are not currently required to be vaccinated (with exceptions in some programs, including some healthcare programs), we are strongly encouraging all students to get vaccinated as soon as possible. The most effective way we can reduce the spread of COVID-19 and avoid further restrictions as we move forward is to get vaccinated as soon as possible, if you're not already. For more information on this and how to find a vaccine location, please visit mn.gov/covid19/.
