Lake Superior College is excited to host the annual [Integrated Manufacturing Open House](#) on Thursday, October 7, 3-6 p.m., at the Downtown Center. Prospective students are invited to learn about the programs offered in the high-demand fields of manufacturing, tour LSC's downtown campus and learn more about beginning the application process. To help ensure the safety of all involved, masks and RSVPs are required and tour times will be spaced out.

Much like last year, the series of upcoming open houses will highlight all four campus locations and will be modified to ensure the health and safety of all involved. LSC's marketing and recruitment teams are working with faculty, academic deans, advisors and other support services on schedules, promotions and the important follow-up process after these tours take place. While tours can be scheduled on the advertised dates and times, they can also be schedule on different dates. These open houses are just as much about promoting the programs and campuses, and following up with those who express interest, as they are about the events themselves. We received very positive feedback and saw much higher conversion rates (tour guest to

applicant) at open houses last year, even during a pandemic. Students and parents appreciate the more customized approach of having small group tours, having materials prepared in advance, and then having individual follow up after the tours.

Thank you to everyone involved with this first open house. We're looking forward to it. There's already high and growing workforce demands in manufacturing, and tours have already been scheduled.

## Exciting New Ads Feature LSC Students in Various Programs, Highlight What Makes LSC So Special

Check out one of several new ads being rolled out in the coming months! Students, like Chelsea, are choosing LSC for many reasons including the supportive and welcoming environment, where faculty and staff genuinely care about students and supporting student success. Lake Superior College is nationally-recognized for quality and affordability, and the word is spreading.

Chelsea is an international student from South Africa. She already graduated from LSC's nationally-ranked and accredited nursing program, and now she's finishing up her AA degree. She's also a proud campus ambassador in LSC's Admissions Office and enjoys sharing her positive experience at LSC with prospective students as they tour our beautiful campus.

You can check out [Chelsea's story](#) on social media and share the links to help spread the word about why students choose LSC! A :15 version is now airing locally on multiple TV stations. #LSCproud

## Thank You to Local NAPA Auto Parts Business Development Group!

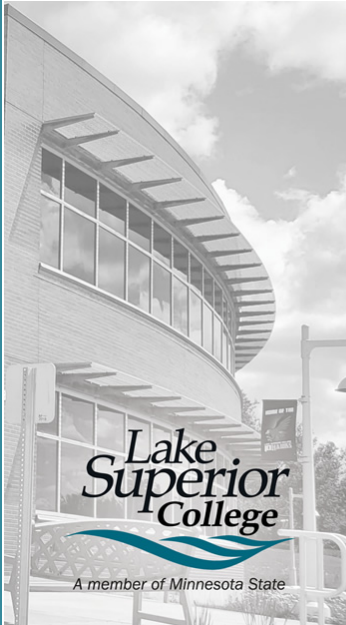

Earlier today, the local NAPA Auto Parts Business Development Group (made up of several local NAPA stores/owners) stopped by LSC's auto shops to donate nearly \$10,000 worth of tools and equipment to LSC's auto program, through the Lake Superior College Foundation. Pictured here (from left) are Micah Faust from NAPA, LSC's VP of Advancement Daniel Fanning, LSC auto instructor Dean Magnuson, and several students in LSC's auto tech program. Please join us in thanking NAPA for their generous contribution and ongoing partnership! These types of community relationships and industry partnerships really help strengthen our already impressive academic programs, as well as help connect students and employers, and help LSC continue to address regional workforce needs. Thank you, NAPA!

## LSC Firefighting Program Representatives Climb Height of Twin Towers on 9/11

Representatives from the Lake Superior College Firefighting Program joined members of the Duluth Minnesota Fire Department, Superior Fire Department, Cloquet Fire Department, and others in climbing 110 flights of stairs in honor and remembrance of the attacks on 9/11 twenty years ago. LSC student Isaiah Johnson was featured in this great story on [Fox 21 News](#).

## COVID-19 Related Updates

Please help keep our campus community safe.

# Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at [lsc.edu/coronavirus](https://lsc.edu/coronavirus).

## Mask Up and Take the Shot, IceHawks!

Safety remains our highest priority. Masks/face covering continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status.

Vaccinations: Minnesota State is following the guidance from the State of Minnesota and Minnesota Department of Health on vaccinations of our students and employees. An all employee email went out today, September 8, and is also available on the [website](#).

All state workers, including all LSC employees, must either be fully vaccinated or be tested for COVID every week. Employees are able to find additional information on available vaccines at [www.mn.gov/covid19](http://www.mn.gov/covid19). While students are not currently required to be vaccinated (with exceptions in some programs, including some healthcare programs), we are strongly encouraging all students to get vaccinated as soon as possible. The most effective way we can reduce the spread of COVID-19 and avoid further restrictions as we move forward is to get vaccinated as soon as possible, if you're not already. For more information on this and how to find a vaccine location, please visit [mn.gov/covid19/](http://mn.gov/covid19/).

## \$100 Vaccination Incentive Scholarship

Lake Superior College is now offering a \$100 scholarship incentive for those who receive the COVID-19 vaccination.

### Eligibility:

- Must be an enrolled LSC student, regardless of your home address. 100% online students are eligible.
- Must be fully vaccinated (two shots for Pfizer and Moderna, one for Johnson) on or after August 1, 2021.
- Must provide proof of full vaccination.
- Sorry, PSEO students are not eligible.

The scholarship is disbursed through the financial aid process. To claim your \$100 scholarship, provide your student ID and proof of vaccination by:

1. Stopping in the financial aid office on the main campus in Student Services S105 or S107. *Please note: International students will also provide a substitute W-9 form as required under federal tax law.*
2. Emailing financial aid at: [studentfa@lsc.edu](mailto:studentfa@lsc.edu).
  - Provide your student ID. NOTE: International students will also provide a substitute W-9 form as required under federal tax law.
  - Take an image of your proof of vaccination.
  - Send it in to [studentfa@lsc.edu](mailto:studentfa@lsc.edu).
