LSC Celebrates Manufacturing Month, Rolls Out New Ad Featuring Manufacturing Student, and Hosts Manufacturing Open House Tomorrow

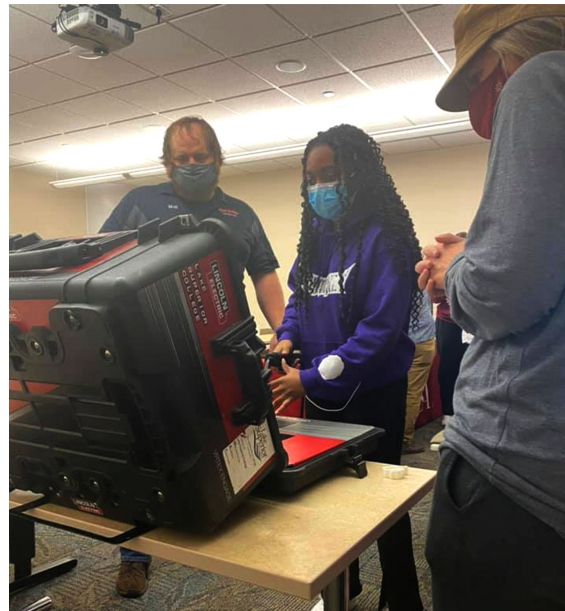

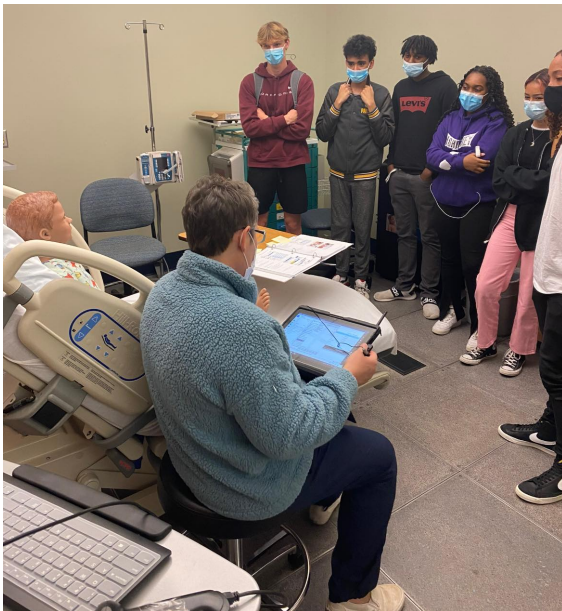

October is Manufacturing Month. To help us celebrate, meet [Kyler Waters](#) - a current student from Northwest Wisconsin. He's in his first year of LSC's Integrated Manufacturing program and chose LSC after hearing great things about the school; attending an open house; touring the downtown facility; meeting recruiters, advisors and instructors; and now highly recommends that anyone interested in manufacturing attend LSC's Integrated Manufacturing Open House tomorrow, Thursday, October 7, starting at 3:00 p.m., at LSC's downtown campus.

Kyler already works at Altec, while attending school, and knows there's a strong and growing workforce need for those trained in computer-aided design (CAD), machine tool, and welding in this region. LSC graduates' job placement rate is nearly 100%!

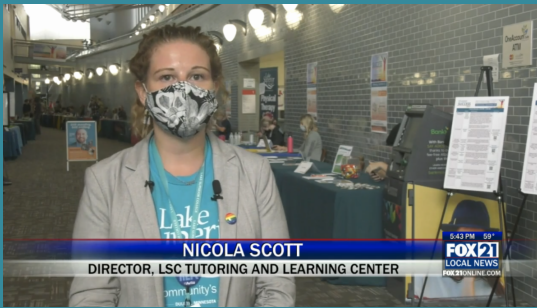

There are still a few open tour slots available tomorrow afternoon. For more info and to RSVP for the open house, visit: lsc.edu/downtownopenhouse. Even if you can't make it tomorrow, you can always schedule a tour of any of LSC's four campus locations at lsc.edu/visit.

Lake Superior College Hosts Group From Anoka High School, Several More School Groups Scheduled in the Coming Weeks

LSC's Recruitment and Marketing teams continue aggressive outreach throughout the region and as a result we are seeing increased interest from

school groups wanting to visit Lake Superior College. Last week we welcomed a fun group from Anoka High School and have two more large school groups coming this Friday, in addition to several individual tours as well. Thank you to everyone involved in helping welcome these #FutureIceHawks.

Students at Lake Superior College Celebrate Success

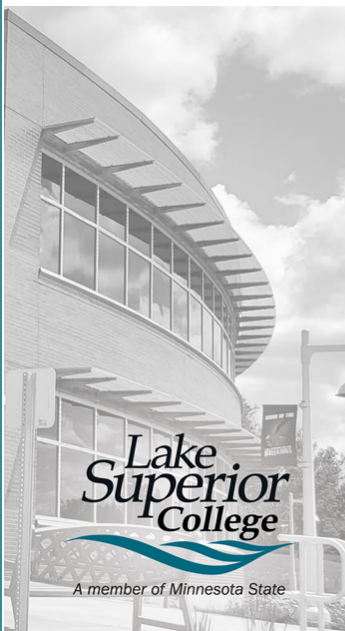

Last week's Student Success Day was highlighted on [Fox 21](#). Roughly 250 students connected with different resources on campus and in the community. [Watch full story](#).

LSC Holds Flu Shot Clinic

Roughly 80-100 students registered to receive a flu shot at this week's flu shot clinic at Lake Superior College. LeadMN partnered with Hennepin Healthcare to get students the flu vaccine. [Watch full story](#).

COVID-19 Related Updates

Please help keep our campus community safe.

Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at lsc.edu/coronavirus.

Mask Up and Take the Shot, IceHawks!

Safety remains our highest priority. Masks/face covering continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status.

Vaccinations: Minnesota State is following the guidance from the State of Minnesota and Minnesota Department of Health on vaccinations of our students and employees. An all employee email went out on September 8, and is also available on the [website](#).

All state workers, including all LSC employees, must either be fully vaccinated or be tested for COVID every week. Employees are able to find additional information on available vaccines at www.mn.gov/covid19. While students are not currently required to be vaccinated (with exceptions in some programs, including some healthcare programs), we are strongly encouraging all students to get vaccinated as soon as possible. The most effective way we can reduce the spread of COVID-19 and avoid further restrictions as we move forward is to get vaccinated as soon as possible, if you're not already. For more information on this and how to find a vaccine location, please visit mn.gov/covid19/.

\$100 Vaccination Incentive Scholarship

Lake Superior College is now offering a \$100 scholarship incentive for those who receive the COVID-19 vaccination.

Eligibility:

- Must be an enrolled LSC student, regardless of your home address. 100% online students are eligible.
- Must be fully vaccinated (two shots for Pfizer and Moderna, one for Johnson) on or after August 1, 2021.
- Must provide proof of full vaccination.
- Sorry, PSEO students are not eligible.

The scholarship is disbursed through the financial aid process. To claim your \$100 scholarship, provide your student ID and proof of vaccination by:

1. Stopping in the financial aid office on the main campus in Student Services S105 or S107. *Please note: International students will also provide a substitute W-9 form as required under federal tax law.*
2. Emailing financial aid at: studentfa@lsc.edu.
 - Provide your student ID. NOTE: International students will also provide a substitute W-9 form as required under federal tax law.
 - Take an image of your proof of vaccination.
 - Send it in to studentfa@lsc.edu.

Upcoming Events and Campus Updates

- Food Fight for the Food Shelf is happening for the entire month of October, and it's faculty/staff versus students! Please drop off non-perishable food donations to the LSC Student Senate Office (M150). The group that collects the most items wins!
- [Handshake](#) is Lake Superior College's online job board and career management platform that connects students to employers and vice versa. Find great opportunities to network, attend or host career fairs, and post/review resumes and jobs. Students and employers can learn how to get started by visiting [Career Services](#).
- Please consider being part of the Bandana Project and attend training to become a mental health advocate at Lake Superior College. You will be a safe place for someone to talk to who may be struggling. Several one-hour [training date/time options](#) are still available. Upon completion of the training you'll receive a green bandana; it is intended to identify those who are in possession of resources that can help, and it signifies an unspoken solidarity with those struggling.
- Athletics update: LSC cyclists Tate Smith and Austin Hudyma have already qualified for the collegiate mountain bike national championship, October 14-17, in Durango, Colorado. Also, LSC Clay Target remains in first place in the division. Go IceHawks!
- A PSEO Information Session will be offered via Zoom on Thursday, October 7, 5:00 - 6:30 p.m. The Postsecondary Enrollment Options (PSEO) program enables students in grades 11 and 12 to earn college credit while still in high school. Find more about PSEO and the info session Zoom IDs at lsc.edu/pseo.
- Lake Superior College is excited to host the annual [Integrated Manufacturing Open House](#) on Thursday, October 7, 3-6 p.m., at the Downtown Center. Prospective students are invited to learn about the programs offered in the high-demand fields of manufacturing, tour LSC's downtown campus and learn more about beginning the application process. To help ensure the safety of all involved, masks and RSVPs are required and tour times will be spaced out.
- The Center for Equity and Inclusion's fall book club reading of "A Good Time for the Truth" features live presentations from contributors of the book. Taiyon Coleman will present via Zoom on Monday, October 18, 3:00 - 4:00 p.m. Everyone is welcome, even those unable to be part of the book club. Meeting ID: 968 1655 6225

If you have any story ideas, pictures/videos you'd like to share and/or any other updates or promotions, please submit a [marketing request](#) (or email marketing@lsc.edu but it's best to submit a request if you want a response/want your request tracked) so we can include it in the newsplash and/or on LSC's website and official social media. Thanks for helping promote all the positive things happening in #IceHawkNation.
