Lake Superior College Scares Up Some Halloween Fun

Student Life hosted the annual All Hallows' Eve Bash last week, featuring a costume contest, pumpkin carving contest, caramel apples, popcorn and more. Thanks to everyone who came out in costume, and those who demonstrated their pumpkin carving skills and creativity!

Instructors and students at LSC's Downtown Manufacturing Center got in the Halloween spirit by laser engraving pumpkins with the 3D printer. The printer can carve intricate jack-o-lantern designs and even photographs.

LSC Foundation Receives Generous Contribution for Student Scholarships in CNC Programming

The Lake Superior College Foundation has received a generous grant contribution of \$12,000 from the Gene Haas Foundation for scholarships for students in LSC's CNC Machine program.

There is strong workforce demand for trained CNC machinists. These scholarships will help LSC continue to aggressively recruit, train and retain manufacturing talent here in our region. Thank you to the Gene Haas Foundation for their generosity and support! Special thanks to instructor Max Udovich for his impressive work and partnership on this project, as well as his ongoing passion for students and the program. The entire team downtown has been really great to work with as we've been seeing increased interest in tours and information in our in-demand manufacturing programs.

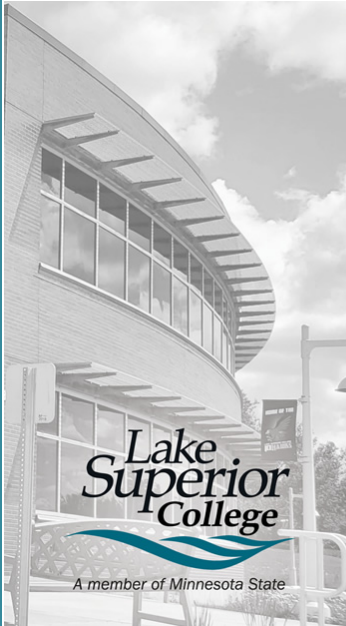

LSC and DFD Partner To Address Firefighting Workforce Needs

The Duluth Fire Department is partnering with Lake Superior College to offer training and testing in order to hire several open positions in the coming months.

Duluth Fire Chief and LSC alum Shawn Krizaj credits LSC for the ongoing partnership in these stories on both [WDIO](#) and [Fox 21](#).

COVID-19 Related Updates

Please help keep our campus community safe.
Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at lsc.edu/coronavirus.

Please keep masking up, IceHawks!

Safety remains our highest priority. Masks/face covering continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status.

Vaccinations: Minnesota State is following the guidance from the State of Minnesota and Minnesota Department of Health on vaccinations of our students and employees. An all employee email went out on September 8, and is also available on the [website](#).

All state workers, including all LSC employees, must either be fully vaccinated or be tested for COVID every week. Employees are able to find additional information on available vaccines at www.mn.gov/covid19. While students are not currently required to be vaccinated (with exceptions in some programs, including some healthcare programs), we are strongly encouraging all students to get vaccinated as soon as possible. The most effective way we can reduce the spread of COVID-19 and avoid further restrictions as we move forward is to get vaccinated as soon as possible, if you're not already. For more information on this and how to find a vaccine location, please visit mn.gov/covid19/.

\$100 Vaccination Incentive Scholarship

Lake Superior College is now offering a \$100 scholarship incentive for those who receive the COVID-19 vaccination.

Eligibility:

- Must be an enrolled LSC student, regardless of your home address. 100% online students are eligible.

- Must be fully vaccinated (two shots for Pfizer and Moderna, one for Johnson & Johnson) on or after August 1, 2021.
- Must provide proof of full vaccination.
- Sorry, PSEO students are not eligible.

The scholarship is disbursed through the financial aid process. To claim your \$100 scholarship, provide your student ID and proof of vaccination by:

1. Stopping in the financial aid office on the main campus in Student Services S105 or S107. *Please note: International students will also provide a substitute W-9 form as required under federal tax law.*
2. Emailing financial aid at: studentfa@lsc.edu.
 - Provide your student ID. NOTE: International students will also provide a substitute W-9 form as required under federal tax law.
 - Take an image of your proof of vaccination.
 - Send it in to studentfa@lsc.edu.

For more information and to continue to stay up to date on the latest COVID-19 related info, please visit: lsc.edu/coronavirus.

Upcoming Events and Campus Updates

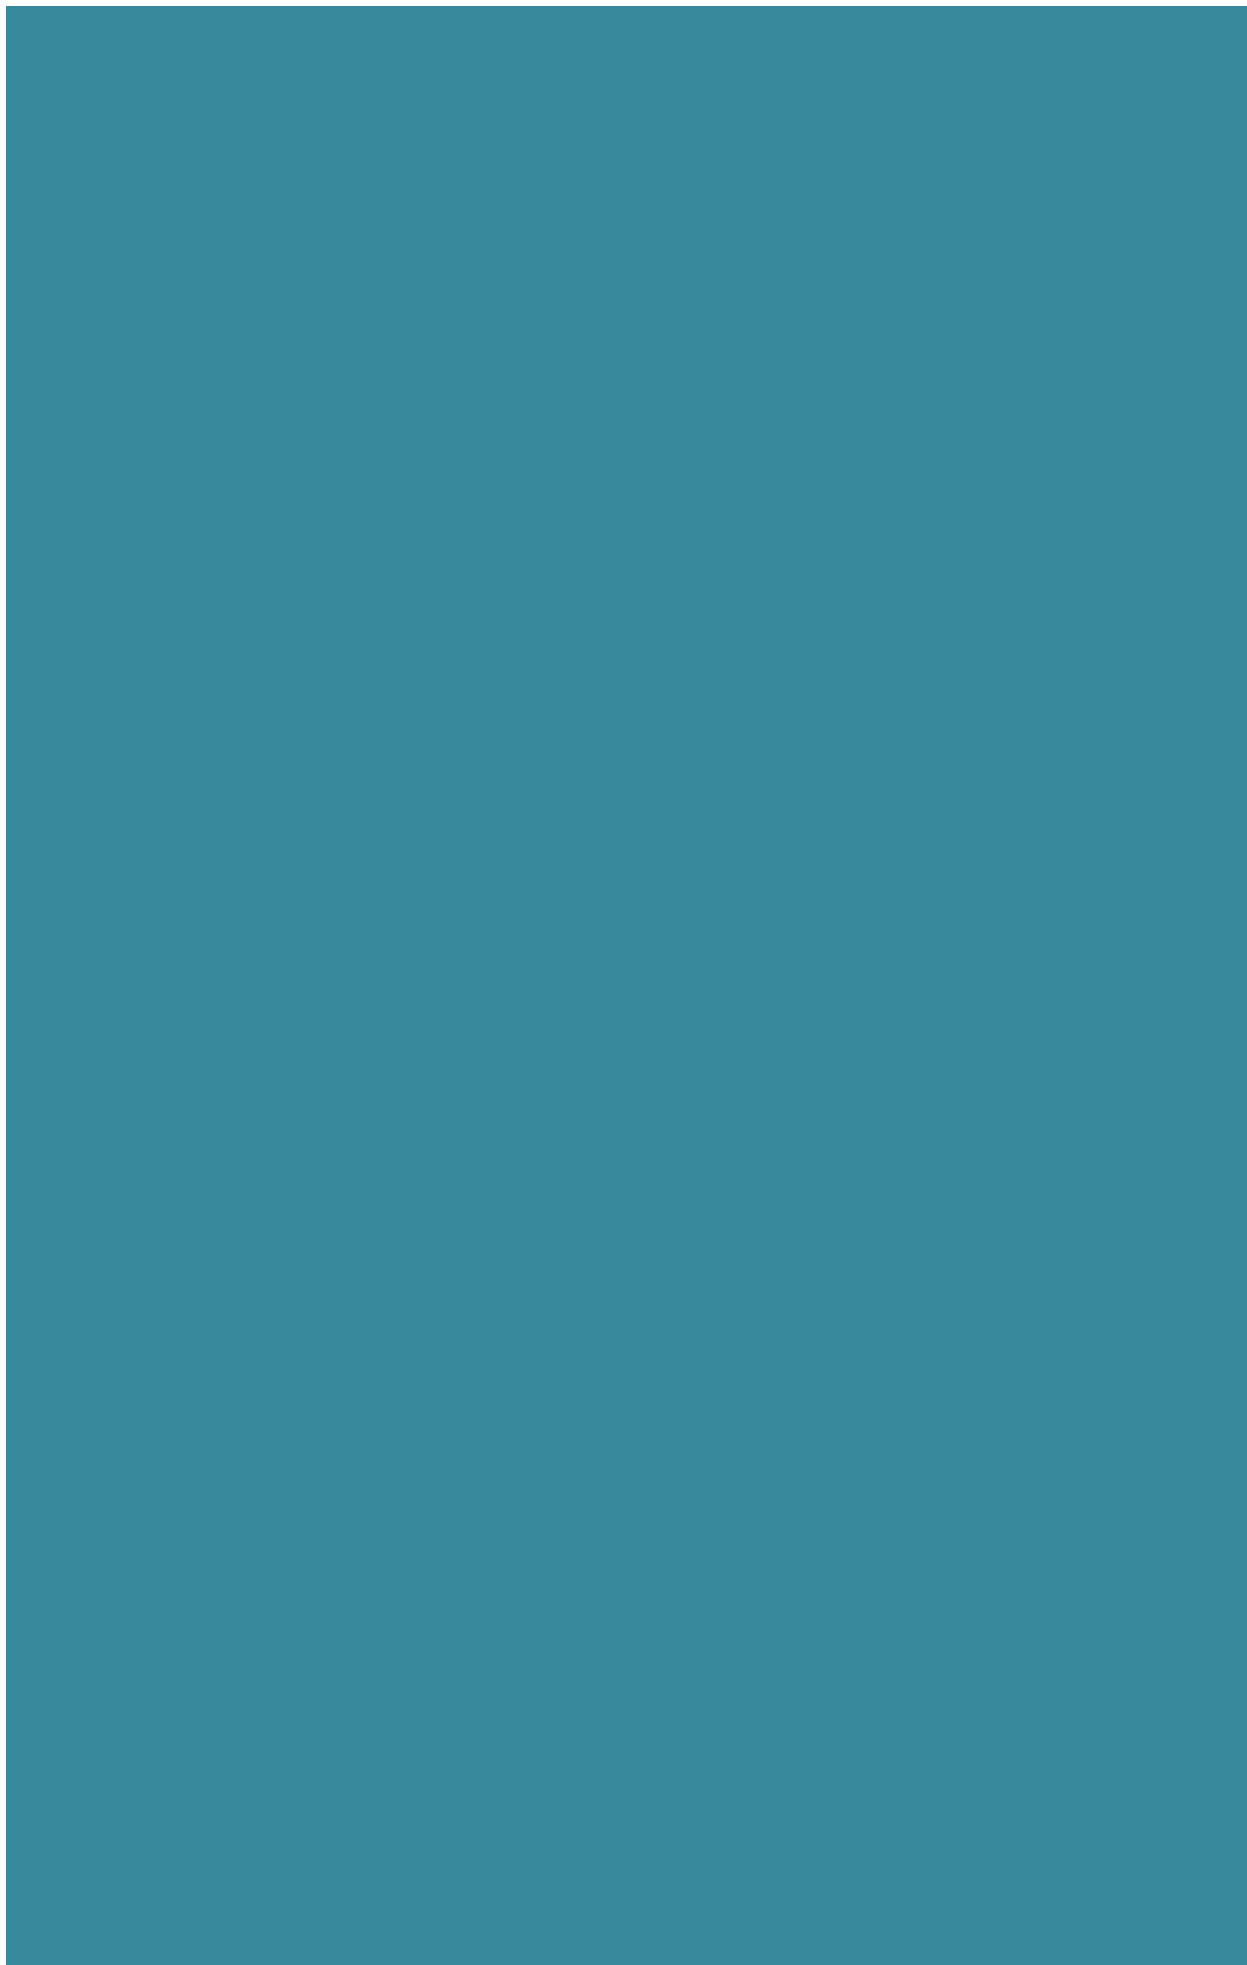

- Spring/Summer 2022 registration is now open. Registration dates are based on credits earned. Check dates and register early at lsc.edu/register.
- Applications to fill remaining seats for January starts are being accepted for [Professional Nursing AS](#) through November 12 at 4:30 p.m., and [Professional Nursing - LPN Track](#) through December 22, 2021. Contact your advisor with questions.
- The [Center for Equity and Inclusion](#) invites you to celebrate Native American Heritage Month with a presentation by three runners from Kwe Pack, Thursday, November 4, at 11:30 a.m. They'll discuss how running and their culture have made them stronger, better women. Lunch will be provided.
- Free suicide prevention training is available to LSC students on November 4, 2:00 - 3:30 p.m. RSVP at lsc.edu/suicideprevention.
- Monday, November 8 is First Generation Day, a day for colleges and universities across the country to celebrate the success of first-generation college students and staff on their campuses. TRIO Student Support Services at LSC helps first-generation students successfully navigate the college experience with personalized academic support

from an assigned TRIO advisor. TRIO SSS encourages all students to apply to TRIO to determine eligibility at lsc.edu/TRIO.

- In honor of Veterans Day, Lake Superior College invites faculty, staff, students and the community to a [Veterans' Talk](#) on Tuesday, November 9, 11:00 a.m., at the Erickson Library's Minnesota Room. Three veteran panelists will discuss their decisions to serve their country, their experiences while serving, and how those experiences shaped who they are today.
- Please join us in honoring our veterans and thanking them for their service to our country at the Veterans Recognition event Wednesday, November 10, 12:00 p.m., in the Atrium. There will be music, refreshments and a short program.
- Lake Superior College will host a Radiologic Technology Information Session, Tuesday, November 16, 4:00 - 5:30 p.m., on Zoom. Radiologic Technology program director Britni Hardy and academic advisors will discuss the program requirements, application process, and answer questions. Find Zoom link and more about the Radiologic Technology program at lsc.edu/radtech.
- Student Life will sponsor a free tour of the Richard I. Bong Veterans Historical Center on Tuesday, November 16. Contact Heather.Grillo@lsc.edu to sign up.
- Lake Superior College will host the annual Healthcare Open House on Thursday, November 18, 3:00 - 6:00 p.m. on LSC's beautiful main campus. Prospective students are invited to learn about any of LSC's 13 healthcare programs, tour LSC's main campus, visit classrooms and labs, and receive a customized admissions packet with information about programs, financial aid, scholarships and more. RSVP at lsc.edu/healthcare.
- [LSC's Wellness Center](#) is now open. Hours of operation vary and safety protocols are in place. Find details at lsc.edu/wellnesscenter.

As always, if you have story ideas, pictures/videos you'd like us to share and/or any other updates/promotions and or student/alumni/employee success stories, please submit a [marketing request](#) (or email marketing@lsc.edu but it's best to submit a request if you want a response/want your request tracked) so we can include it in the newsplash and/or on LSC's website and official social media. Thanks for helping promote all the positive things happening in #IceHawkNation.

November is Native American Heritage Month

Indigenous women blazing trails toward a healthier future

The Center for Equity and Inclusion invites you to celebrate Native American Heritage Month with a presentation by three runners from Kwe Pack. They'll discuss how running and their culture have made them stronger, better women.

DATE: Thursday, November 4
TIME: 11:30 a.m. – 1:00 p.m.
LOCATION: Center for Equity and Inclusion

LUNCH PROVIDED

The Kwe Pack is an Indigenous women's wellness group committed to holistic wellness, which strives to set a prime example of health and overall well-being for their families and community by overcoming common barriers that Indigenous women face through self-love and care.
