Lake Superior College Foundation To Award Over \$100,000 in Spring Scholarships

Lake Superior College
FOUNDATION

Scholarships

Apply through December 1

Apply online at:

lsc.edu/foundation

The [Lake Superior College Foundation](https://lsc.edu/foundation) is awarding over \$100,000 in student scholarships this upcoming Spring Semester for students at Lake Superior College. The LSC Foundation scholarship application window is now open and will remain open through December 1, 2021. Current and prospective students are encouraged to apply by visiting lsc.edu/foundation.

The entire application process is online and requires applicants to set up an account in the AwardSpring system. Foundation scholarships are available to current (returning) and incoming students in good standing, and will be awarded to students enrolled at LSC in Spring Semester 2022.

While the majority of scholarships through the LSC Foundation are typically offered in the spring for Fall Semester, there are some program-specific scholarships being offered now (Fall Semester 2021) for Spring Semester

2022. Any eligible student who plans on attending LSC in the spring of 2022 is eligible to apply, although some scholarships have specific requirements based on conditions established by the funders. More scholarships will be offered in the spring of 2022, for Fall Semester 2022, which will include even more programs.

For this current award cycle, the following scholarships are being offered:

- Workforce Development Scholarships (multiple awards)
- Nicholas James Person RN Nursing Scholarship (new)
- St. Louis County Mineral Royalties Scholarships (multiple awards)
- Laura Hamre Nursing Careers Scholarship (new)

For more information on these scholarships, including eligibility requirements for each scholarship, please visit the [application page](#) or contact the Foundation directly at foundation@lsc.edu.

Lake Superior College Hosts Multiple Events To Honor Veterans, Campus Closed Thursday

In honor of Veterans Day, LSC's Erickson Library hosted a Veterans' Talk with three Veteran panelists. Thank you to everyone who attended and participated. Pictured (left to right) are: Scott Belfry, United States Marine Corps; Thom Reistad, United States Air Force; and Tom Butler, United States Army. Thanks to the Erickson Library for organizing the conversation. We encourage you to stop by the library and check out the wide selection of military/veterans related books available for checkout. More on [WDIO](#) and [Business North](#).

LSC held a Veterans Recognition event today to honor Veterans for their sacrifices and service to our country. The event included music by the LSC Choir, refreshments and a short program. Thank you to our Veterans and to all who attended.

As a reminder, Lake Superior College will be closed on Thursday, November 11 in observance of Veterans Day. Thank you to all who have served!

LSC Celebrates First-Generation College Students

Lake Superior College and [TRIO Student Support Services](#) (TRIO SSS) joined colleges and universities across the country in celebrating first-generation students for First-Generation Day. First-generation college students are defined as those who come from families where their biological parents did not complete a four-year college degree. Forty-six percent of LSC students are first-generation students.

TRIO SSS offers a variety of resources and support for first-generation students and students meeting other TRIO eligibility requirements. Services include: academic advising, career exploration, scholarship application assistance, transfer advising, early registration and more. Apply to find out if you're eligible at lsc.edu/TRIO.

COVID-19 Related Updates

Please help keep our campus community safe.
Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at lsc.edu/coronavirus.

Please keep masking up, IceHawks!

Safety remains our highest priority. Masks/face covering continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status.

Vaccinations: Minnesota State is following the guidance from the State of Minnesota and Minnesota Department of Health on vaccinations of our students and employees. An all employee email went out on September 8, and is also available on the [website](#).

As a reminder, **please do not come to campus if you're feeling sick, symptomatic and/or had any exposure to COVID-19.** This includes those mandated under Policy 1446 to complete weekly testing on campus. If you are feeling sick or feel you may have been exposed to COVID-19, please contact your healthcare provider and/or use community testing sites rather than coming to campus for testing, as we are not setup like a community testing site. Thank you for your understanding and cooperation.

The most effective way we can reduce the spread of COVID-19 and avoid further restrictions is to get vaccinated. For more information and how to find a vaccine location, please visit mn.gov/covid19/.

\$100 Vaccination Incentive Scholarship

Lake Superior College is now offering a \$100 scholarship incentive for those who receive the COVID-19 vaccination.

Eligibility:

- Must be an enrolled LSC student, regardless of your home address. 100% online students are eligible.
- Must be fully vaccinated (two shots for Pfizer and Moderna, one for Johnson & Johnson) on or after August 1, 2021.
- Must provide proof of full vaccination.
- Sorry, PSEO students are not eligible.

The scholarship is disbursed through the financial aid process. To claim your \$100 scholarship, provide your student ID and proof of vaccination by:

1. Stopping in the financial aid office on the main campus in Student Services S105 or S107. *Please note: International students will also provide a substitute W-9 form as required under federal tax law.*
2. Emailing financial aid at: studentfa@lsc.edu.
 - Provide your student ID. NOTE: International students will also provide a substitute W-9 form as required under federal tax law.
 - Take an image of your proof of vaccination.
 - Send it in to studentfa@lsc.edu.

For more information and to continue to stay up to date on the latest COVID-19 related info, please visit: lsc.edu/coronavirus.

Upcoming Events and Campus Updates

- Spring/Summer 2022 registration is now open. Registration dates are based on credits earned. Check dates and register early at lsc.edu/register.

- **Help support LSC students, by supporting the Lake Superior College Foundation.** Give to the Max, a statewide effort to support thousands of nonprofits and schools/Foundations across Minnesota, is next Thursday, November 18. Early giving has begun, so you don't have to wait to make your donation to causes that mean most to you, including the Lake Superior College Foundation. Please visit givemn.org/organization/lscfoundation to make a contribution. Also, you can always give directly to the LSC Foundation at lsc.edu/donate. All funds raised will go towards student scholarships through the LSC Foundation. Thanks for helping support our students/our community's future workforce. #GiveToTheMaxToLSCFoundation

- Lake Superior College will host the annual Healthcare Open House on Thursday, November 18, 3:00 - 6:00 p.m. on LSC's beautiful main campus. Prospective students are invited to learn about any of LSC's 13 healthcare programs, tour LSC's main campus, visit classrooms and labs, and receive a customized admissions packet with information about programs, financial aid, scholarships and more. RSVP at lsc.edu/healthcare.
- [LSC's Wellness Center](https://lsc.edu/wellnesscenter) is now open. Hours of operation vary and safety protocols are in place. Find details at lsc.edu/wellnesscenter.

As always, if you have story ideas, pictures/videos you'd like us to share and/or any other updates/promotions and or student/alumni/employee success stories, please submit a [marketing request](#) (or email marketing@lsc.edu but it's best to submit a request if you want your request tracked) so we can include it in the new splash and/or on LSC's website and official social media. Thanks for helping promote all the positive things happening in #IceHawkNation.

Look for the Green Bandana

Lake Superior College is proud to participate in the Bandana Project, a national suicide prevention and mental health awareness movement.

What does the green bandana mean?

Staff, faculty and students display a green bandana showing they've completed training to be a good advocate/resource to those who are struggling.

Students tie a green bandana to their backpack to support peers in getting help.

The green bandana identifies those who have resources that can help, and it signifies in an unspoken solidarity with those struggling.

Want to be an advocate for those who are struggling?

Register for a one-hour training and receive your green bandana to display.
