## Talk About Hands-on Learning!

Students in Lake Superior College's carpentry program (with help from LSC wiring students on the electrical work) are about halfway done with a community house build.

Each year, students put their new skills to work on a residential building project. Last year, LSC students helped construct a single family home in the Denfeld area, and the finished product was impressive. This year is coming together very well, too.

This [video](#) is just a sneak peek of the work in progress. We're excited to see you the finished project in a few months.

(Side note: clips from the build will also appear in an upcoming LSC TV ad which will be played frequently during the Olympics on KBJR.)

## LSC Foundation to Award Over \$150,000 in Scholarships for Fall 2022

# Fall 2022 Scholarships

Application window is  
February 14 - March 14.  
Details at [lsc.edu/foundation](http://lsc.edu/foundation).

Over \$150,000 will be awarded to eligible students in a variety of scholarships.

Please contact the LSC Foundation directly with questions or for assistance:  
[foundation@lsc.edu](mailto:foundation@lsc.edu) or (218) 733-7707

Lake Superior College  
FOUNDATION

A member of Minnesota State

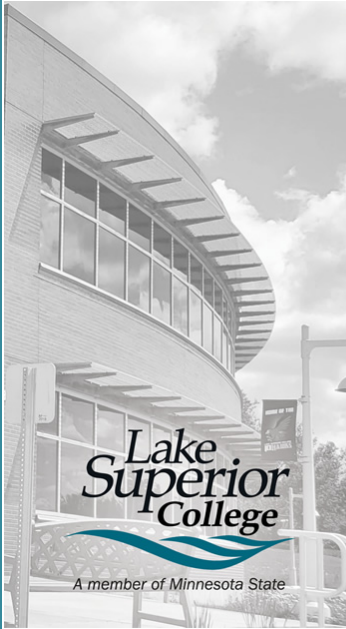

The Lake Superior College Foundation will be awarding over \$150,000 in scholarships for students planning on attending Lake Superior College for Fall Semester 2022. The LSC Foundation scholarship application window will open Monday, February 14, and remain open until Monday, March 14. Current and prospective students planning on attending LSC for Fall Semester 2022 are encouraged to apply. The application process is completely online and will be available once the application window opens on February 14. Several scholarships will be available including program specific scholarships in each academic division (liberal arts/transfer, business and industry, and allied health and nursing) as well as general scholarships, workforce development scholarships and more.

For more information on these scholarship opportunities, including eligibility requirements and the application process, please contact the LSC Foundation directly at [foundation@lsc.edu](mailto:foundation@lsc.edu) and/or visit [lsc.edu/foundation](http://lsc.edu/foundation).

Every year we receive four times more applications than we have awards to give; however some scholarships, with very specific criteria, sometimes don't have any eligible applicants. So, we really encourage anyone interested in applying. We've made the application quite simple, with a short series of qualifying questions and then 3-4 essay questions. Even if you're not awarded a scholarship this cycle, we keep applications on file for up to a year so that if additional funding becomes available other scholarships may be awarded.

## COVID-19 Related Updates

Please help keep our campus community safe.  
**Mask up and take the shot.**

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at [lsc.edu/coronavirus](https://lsc.edu/coronavirus).

## Please keep masking up, IceHawks!

Safety remains our highest priority. Masks/face covering continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status. We encourage everyone to get vaccinated and boosted, and continue to offer a \$100 incentive for current LSC students who receive a vaccine.

As a reminder, please do not come to campus if you're feeling sick, symptomatic and/or had exposure to COVID-19. This includes those mandated under Policy 1446 to complete weekly testing on campus. If you are feeling sick or feel you may have been exposed to COVID-19, please contact your healthcare provider and/or use community testing sites rather than coming to campus for testing, as we are not set up like a community testing site. Thank you for your understanding and cooperation.

The most effective way we can reduce the spread of COVID-19 and avoid further restrictions is to get vaccinated. For more information and how to find a vaccine location, please visit [mn.gov/covid19/](https://mn.gov/covid19/).

For more information and to continue to stay up to date on the latest COVID-19 related info, please visit: [lsc.edu/coronavirus](https://lsc.edu/coronavirus).

- Applications for the Surgical Technology program to start Fall Semester 2022 are being accepted. Priority will be given to students who have prerequisites completed and apply by March 1. The application is open until filled. For more information and to apply, visit [lsc.edu/surgtech](http://lsc.edu/surgtech).
- February is Black History Month, an opportunity to understand Black histories and to spotlight Black achievement. [LSC's Erickson Library](#), in partnership with LSC's Center for Equity and Inclusion and Student Life, will host a Black History Month Film Festival. You're invited to bring your lunch to the Erickson Library at noon each Wednesday in February to watch the week's featured documentary.
- Student Success Day is scheduled for Tuesday, February 15. Student Success Day is a conference-style event hosted by LSC each semester to support your academic and personal success. Sessions are offered by faculty and LSC staff, and local businesses, non-profits, and four-year institutions. All students are welcome to participate. Continue to check

the website for schedule, session descriptions, keynote information and more at [lsc.edu/StudentSuccessDay](https://lsc.edu/StudentSuccessDay).

- Lake Superior College students: Do you have feedback about your experience at LSC? We want to hear from you! Participate in the Student Satisfaction Survey for a chance to win a \$25 gift card to the LSC Store. Watch for the survey in your LSC email, and respond by February 21, 2022.
- LSC Safe Zone Training helps create LGBTQ+ friendly spaces through increased awareness and ally training. If you're interested in participating in a training to be considered a safe ally on our campus, email [sarah.lyons@lsc.edu](mailto:sarah.lyons@lsc.edu).
- Mental wellness matters at LSC! Students and employees are invited to participate in [The Bandana Project / VAR \(Validate-Appreciate-Refer\) Training](#). Trainings are available starting January 25. Upon completion of a one-hour training session, you'll receive a green bandana to display to show others you're safe place for someone who may be struggling.
- The Wonder of Wolves exhibit is on display now at Lake Superior College's Erickson Library. Professional mother-daughter creative team Stephanie Johnson and Angie Arden celebrate and emphasize the importance of wolf education through art and poetry by showcasing Wolf Ambassadors from The International Wolf Center in Ely, MN and The Wildlife Science Center in Stacy, MN. The artists hope to raise awareness for our natural environments and encourage protection for threatened species like the wolf. The exhibit runs through May 2022.

As always, if you have story ideas, pics/videos you'd like us to share and/or any other updates/promotions or student/alumni/employee success stories, please submit a [marketing request](#) (employees) or email [marketing@lsc.edu](mailto:marketing@lsc.edu) (non-employees) so we can include it in the newsplash, on LSC's website and on our social media. Thanks for helping promote all the positive things happening in #IceHawkNation!

Keep our campus community safe.

Please
