Student Success Day Offers Resources for Students to Help Them Achieve Academic and Personal Success

Students got the day off from regular academic classes on Tuesday in order to participate in the conference-style event that is hosted each semester to support students' academic and personal success. Sessions were offered by faculty and LSC staff, as well as local businesses, non-profits and four-year institutions. Keynote speaker Jesse Ross drew a crowd of more than 100 people, where he gave an inspiring presentation about your role, your goal and your soul. The speaker, coach and diversity, equity and inclusion consultant discussed the question, "What do you want for your life?" He challenged the audience to think about their ambitions, their purpose, and how to achieve their life goals at LSC and beyond.

Congratulations to everyone involved in another successful Student Success Day! [See the story on FOX21.](#)

**Apply for LSC Foundation Fall 2022 Scholarships
Now Through March 14**

The LSC Admissions and Foundation teams have been busy visiting local high schools this week, with many more visits planned in the coming weeks, to talk with many #FutureIceHawks who are excited that the LSC Foundation Fall Scholarship application window is now open. We've worked directly with dozens of students who applied online at lsc.edu/foundation. Most scholarships are open to all new and returning students who plan to be enrolled at LSC for Fall Semester 2022. Just in the first three days (less than 72 hours) of the application window being open, we have already received over 100 applications! Please keep them coming. Even if you're not awarded a scholarship this cycle, your application remains on file for a year and it's possible other funding may become available in that time.

Scholarship applications opened Monday and will remain open through Monday, March 14. The application process is completely online. It is a single application that's quite simple to complete and we are always happy to help walk current or prospective students through the process if they have questions. All returning and prospective students planning on attending LSC for Fall Semester 2022 are encouraged to apply. If students have questions regarding LSC Foundation scholarships, they are encouraged to contact the Foundation directly at foundation@lsc.edu, (218) 733-7707, or stop by S205 on main campus. Good luck, IceHawks!

Informal LSC Open House and Cirrus Career Fair Scheduled for Friday, February 25 at the CAA

LSC | Cirrus Open & Career House | Fair

Friday, February 25 • 11 a.m. - 2 p.m.

LSC's Center for Advanced Aviation
4960 Airport Rd Hangar #103, Duluth

- Meet with representatives from LSC and Cirrus
- Learn about training and current job openings for current and future LSC students
- Light food and beverages provided

Learn more at:

lsc.edu/cirrus

Lake Superior College and Cirrus Aircraft are partnering to invite anyone interested in a career at Cirrus Aircraft to an informal LSC Open House and Cirrus Career Fair on Friday, February 25, 11 a.m. to 2 p.m. at LSC's Center for Advanced Aviation (CAA) located right next door to Cirrus.

Learn how LSC's affordable training in high-demand fields can lead to immediate and future career and advancement opportunities at Cirrus. Meet Cirrus HR representatives seeking to hire current and prospective LSC students and graduates from programs including CNC machining, accounting, automotive, wiring, welding, aviation maintenance, professional pilot and more. Learn about scholarship and grant opportunities from the Lake Superior College Foundation for current and/or prospective LSC students interested in training programs that help them become employed at Cirrus. Current Cirrus employees interested in training are also eligible for grants.

The event is open to the public. For more information and to RSVP, visit lsc.edu/cirrus. Please contact daniel.fanning@lsc.edu with any questions.

LSC Foundation Annual Dinner and Community Celebration Set for April 7

PLEASE JOIN US FOR THE
LAKE SUPERIOR COLLEGE FOUNDATION
**Annual Dinner
&
Community Celebration**

Thursday, April 7, 2022

Clyde Iron Works Malting Building
2907 Helm Street, Duluth, MN 55806

All proceeds benefit student scholarships.

Tickets at
lsc.edu/AnnualDinner

Lake Superior College
FOUNDATION

Please join us for a fun evening of delicious food, live music and an inspiring program (highlighting a couple of LSC students who wish to thank supporters of the Foundation for making a such a positive difference in their lives) as we celebrate the incredible impact of the Lake Superior College Foundation. Thanks to the generosity of our community and donors, the LSC Foundation has supported more students this past year than at any other time in the history of the organization. The Annual Dinner is an opportunity to thank our generous supporters and our incredible Board of Directors, and raise funds to help support even more scholarships through the LSC Foundation.

[The LSC Foundation Annual Dinner and Community Celebration](https://lsc.edu/AnnualDinner) will take place on Thursday, April 7, at the Clyde Iron Works Malting Building. Doors open at 5:00 p.m., with a social and live music. Dinner and program at 6:15 p.m., with more live music to follow. Tickets are \$60 and may be purchased at lsc.edu/AnnualDinner. Sponsorship opportunities are available as well; please visit lsc.edu/sponsor for more info. Thank you for your support of the LSC Foundation, and most importantly for your support of these deserving students and our community's future workforce. Please contact foundation@lsc.edu for more info or with any questions. Thank you!

COVID-19 Related Updates

Please help keep our campus community safe.
Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at lsc.edu/coronavirus.

Please keep masking up, IceHawks!

Safety remains our highest priority. Masks/face coverings continue to be required inside all public spaces on all Lake Superior College campus locations, regardless of vaccination status. Even though the City of Duluth's Mask Mandate has expired as of this past Saturday, the Minnesota State system - under the guidance of the Minnesota Department of Health - is still requiring face masks at colleges and universities that are in counties with substantial or high transmission rates, according to the CDC COVID Data Tracker: <https://covid.cdc.gov/covid-data-tracker/#county-view>. Since the rate in St. Louis County still remains substantial, masks will continue to be required on all Lake Superior College campuses at this time. Lake Superior College will have the opportunity to remove the mask mandate when St. Louis County has 14 consecutive days of low or moderate transmission rates, and/or when or if Minnesota State changes their guidance. Any changes to campus mask requirements will be communicated via email, social media and on the LSC website.

As a reminder, please do not come to campus if you're feeling sick, symptomatic and/or had exposure to COVID-19. This includes those mandated under Policy 1446 to complete weekly testing on campus. If you are feeling sick or feel you may have been exposed to COVID-19, please contact your healthcare provider and/or use community testing sites rather than coming to campus for testing, as we are not set up like a community testing site. Thank you for your understanding and cooperation.

The most effective way we can reduce the spread of COVID-19 and avoid further restrictions is to get vaccinated. For more information and how to find a vaccine location, please visit mn.gov/covid19/.

For more information and to continue to stay up to date on the latest COVID-19 related info, please visit: lsc.edu/coronavirus.

Upcoming Events and Campus Updates

- The [Lake Superior College Foundation](#) will be awarding over \$150,000 in scholarships for students planning on attending Lake Superior College for Fall Semester 2022. The LSC Foundation scholarship application window will be open until Monday, March 14. Current and prospective students planning on attending LSC for Fall Semester 2022 are encouraged to apply. The application process is completely online.
- Lake Superior College students: Do you have feedback about your experience at LSC? We want to hear from you! Participate in the Student Satisfaction Survey for a chance to win a \$25 gift card to the LSC Store. Find the survey in your LSC email, and respond by February 21, 2022.
- February is Black History Month, an opportunity to understand Black histories and to spotlight Black achievement. [LSC's Erickson Library](#), in partnership with LSC's Center for Equity and Inclusion and Student Life, will host a Black History Month Film Festival. You're invited to bring your lunch to the Erickson Library at noon each Wednesday in February to watch the week's featured documentary.
- A PSEO Information Session will be offered via Zoom on Tuesday, February 22, at 5:00 p.m. Stephanie, PSEO coordinator, will share information about how students in grades 11 and 12 can attend Lake Superior College and earn college credit while still in high school. Find more about PSEO and the info session Zoom ID at lsc.edu/pseo.
- Student Life will host Virtual Game Night on Wednesday, February 23. Join the fun via Zoom for a chance to win prizes. The link will be posted on lsc.edu/Student Life or contact heather.grillo@lsc.edu.
- In honor of Black History Month, you are invited to Lisa McNair: Healing and Reconciliation Through Historical Trauma and Tragedy on Friday, February 25, 10:45 a.m. via Zoom. Lisa S. McNair is the younger sister of Carol Denise McNair, one of the four girls killed in the 1963 church bombing at the 16th Street Baptist Church in Birmingham, Alabama. Lisa S. McNair travels throughout America promoting love and educating on the power of racial harmony. She humbly requests that we never

forget her sister Carol Denise McNair. Register at century.edu/healing-reconciliation.

- Applications are being accepted for the Practical Nursing Diploma to start Fall Semester 2022. Priority will be given to students who have requirements completed by February 15, 2022. The application is open until filled. Apply at lsc.edu/ApplyToNursing.
- Applications are being accepted for the Medical Laboratory Technician (MLT) program to start Fall Semester 2022. There is a critical personnel shortage for medical laboratory technicians, with significant sign-on bonuses being offered locally and regionally. The application is open until filled. Apply at www.lsc.edu/ApplyToMLT.
- Applications for the the Commercial and Residential Wiring program are being accepted now until 4:30 p.m. on Monday, February 28, 2022. Apply at www.lsc.edu/crw.
- Physical Therapy Assistant applications are open for Fall 2022 and priority is given to applicants who apply by March. Apply online at lsc.edu/ApplyToPTA.
- Applications for the Respiratory Therapy program to start Fall Semester 2022 are being accepted now until filled. Apply at lsc.edu/RespiratoryTherapy.
- Applications for the Surgical Technology program to start Fall Semester 2022 are being accepted. Priority will be given to students who have prerequisites completed and apply by March 1. The application is open until filled. For more information and to apply, visit lsc.edu/surgtech.
- The Wonder of Wolves exhibit is on display now at Lake Superior College's [Erickson Library](#). Professional mother-daughter creative team Stephanie Johnson and Angie Arden celebrate and emphasize the importance of wolf education through art and poetry by showcasing Wolf Ambassadors from The International Wolf Center in Ely, MN and The Wildlife Science Center in Stacy, MN. The artists hope to raise awareness for our natural environments and encourage protection for threatened species like the wolf. The exhibit runs through May 2022.
- The Lake Superior College Annual Dinner and Community Celebration is scheduled for Thursday, April 7, 2022, at Clyde Iron Works Malting Building. For details and tickets, visit lsc.edu/AnnualDinner.

As always, if you have story ideas, pics/videos you'd like us to share and/or any other updates/promotions or student/alumni/employee success stories, please submit a [marketing request](#) (employees) or email marketing@lsc.edu (non-employees) so we can include it in the newsplash, on LSC's website and on our social media. Thanks for helping promote all the positive things happening in #IceHawkNation!
