Lake Superior College and Cirrus Aircraft Partner to Connect with Students Interested in the Aviation Industry

Lake Superior College and Cirrus Aircraft partnered to invite anyone interested in a career at Cirrus Aircraft to an informal LSC Open House and Cirrus Career Fair last Friday at LSC's Center for Advanced Aviation. The event was sponsored by Cirrus, and more events are being planned as well. There are great training opportunities through LSC, scholarship and grant opportunities through the LSC Foundation, and great career opportunities at Cirrus Aircraft.

It was a successful first event and we look forward to continuing to partner with Cirrus, and many other employers, to help recruit, train and retain a pipeline of workforce talent in our community. For more information about programs, careers and grant opportunities, please visit lsc.edu/cirrus.

Check out the media coverage on [Fox21](#) and [WDIO](#).

Lake Superior College Takes Third in Cyber Defense Competition

LSC's cybersecurity team was featured in the [Duluth News Tribune](#) for placing third at the virtual Minnesota State Collegiate Cyber Defense Competition. This places them in Saturday's Midwest Wildcard qualifier, where they compete for a chance to advance to the regional competition March 18-19. Good luck, IceHawks!

Lake Superior College to Participate at Duluth and St. Louis County Days at the Capitol

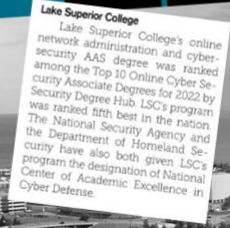

25th Annual
Duluth & St. Louis County
 AT THE CAPITOL
 ADVOCACY FOR
 NORTHEASTERN
 MINNESOTA
 PRIORITIES

March 9 & 10, 2022

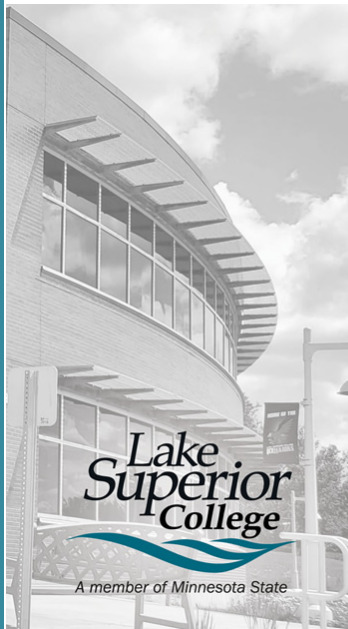

Lake Superior College will be well represented at the 25th Annual Duluth & St. Louis County Days at the Capitol next week. LSC will join several other higher education institutions and organizations throughout the Northland to advocate for legislative priorities for the region, including [LSC's bonding request](#) to expand, enhance and relocate the manufacturing program from its current downtown location back to main campus. This project will allow LSC to continue to increase efforts to recruit, train and retain a pipeline of manufacturing talent for employers throughout the region and ensure LSC and Duluth remains the premier manufacturing training destination in our region. For more information about the request and to see other proposals/projects in our region, please check out the Duluth Chamber's recently released [2022 Regional Legislative Priorities Booklet](#).

Lake Superior College Featured in Duluthian Magazine

Speaking of Duluth Chamber publications, LSC's Vice President of Advancement and External Relations Daniel Fanning is featured in the latest edition of the [Duluthian](#) magazine. Lake Superior College has several mentions throughout the magazine, including a nice shout-out to LSC's online network administration and cybersecurity AAS degree which was ranked among the Top 10 Online Cyber Security Degrees in the Nation.

COVID-19 Related Updates

Please help keep our campus community safe.
Mask up and take the shot.

Masks required on all campus locations.

\$100 incentive for current LSC students who receive a vaccine.

More information at lsc.edu/coronavirus.

Please keep masking up, IceHawks!

Safety remains our highest priority. Masks/face coverings continue to be required inside all public spaces on all Lake Superior College campus

locations, regardless of vaccination status. Even though the City of Duluth's Mask Mandate has expired, the Minnesota State system - under the guidance of the Minnesota Department of Health - is still requiring face masks at colleges and universities that are in counties with substantial or high transmission rates, according to the CDC COVID Data Tracker: <https://covid.cdc.gov/covid-data-tracker/#county-view>. Since the rate in St. Louis County still remains substantial, masks will continue to be required on all Lake Superior College campuses at this time. Lake Superior College will have the opportunity to remove the mask mandate when St. Louis County has 7 consecutive days of low or moderate transmission rates, and/or when or if Minnesota State changes their guidance. There have been some conversations at the system level of ending the mandate in the coming weeks or months. In fact Minnesota State Chancellor, Devinder Malhotra, put out a memo yesterday, March 1, signaling the start of changes to that guidance. While it doesn't directly change anything at LSC just yet, it at least signals some light at the end of the tunnel. Case numbers will continue to be evaluated - especially after Spring Break. Any changes to campus mask requirements will be communicated via email, social media and on the LSC website. Please stay tuned, but for now the mask mandate remains in place. To view that memo (Update from March 1, 2022), for more information and to continue to stay up to date on the latest COVID-19 related info, visit: lsc.edu/coronavirus.

Upcoming Events and Campus Updates

- The [Lake Superior College Foundation](#) will be awarding over \$150,000 in scholarships for students planning on attending Lake Superior College for Fall Semester 2022. The LSC Foundation scholarship application window will be open until Monday, March 14. Current and prospective students planning on attending LSC for Fall Semester 2022 are encouraged to apply. The application process is completely online. Please contact foundation@lsc.edu with any questions or for assistance.
- Applications are being accepted for the Practical Nursing Diploma to start Fall Semester 2022. The application is open until filled. Apply at lsc.edu/ApplyToNursing.
- Applications are being accepted for the Medical Laboratory Technician (MLT) program to start Fall Semester 2022. There is a critical personnel shortage for medical laboratory technicians, with significant sign-on bonuses being offered locally and regionally. The application is open until filled. Apply at www.lsc.edu/ApplyToMLT.

- Physical Therapist Assistant applications are open for Fall 2022. Apply online at lsc.edu/ApplyToPTA.
- Applications for the Respiratory Therapy program to start Fall Semester 2022 are being accepted now until filled. Apply at lsc.edu/RespiratoryTherapy.
- Applications for the Surgical Technology program to start Fall Semester 2022 are being accepted. Priority will be given to students who have prerequisites completed and apply by March 1. The application is open until filled. For more information and to apply, visit lsc.edu/surgtech.
- The Center for Equity and Inclusion invites you to a presentation in honor of International Women's Day on Wednesday, March 23, 12:00-1:00 p.m. Alyza Bohbot James, owner and CEO of Alakef Coffee Roasters and City Girl Coffee will discuss how the sustainable and responsible City Girl Coffee works to bring awareness and equality to women in the coffee industry. Lunch provided.
- The LSC Career and Transfer Fair is scheduled for Wednesday, March 23, 11:00 a.m. - 2:00 p.m. at the LSC Main Campus concourses and atrium. Network with a variety of employers, organizations and colleges/universities. Log into [Handshake](#) to view employers attending.
- A virtual Suicide Prevention for College Students Training will be offered Thursday, March 24, 2:30 - 4:00 p.m. Learn to recognize the warning signs of suicide and what you can do to help. RSVP at lsc.edu/SuicidePrevention.
- Lake Superior College will host a Firefighting and Truck Driving Open House on Friday, March 25. Prospective students can tour the Emergency Response Training Center, learn about programs and how to apply, and check out the vehicles, truck driving simulator, and Burn Box Metropolis and more. RSVP at lsc.edu/OpenHouseERTC.
- Spring and Summer Graduates, apply to graduate by March 31, 2022. There is no fee to apply. lsc.edu/graduate
- The Lake Superior College Annual Dinner and Community Celebration is scheduled for Thursday, April 7, 2022, at Clyde Iron Works Malting Building. For details and tickets, visit lsc.edu/AnnualDinner.

As always, if you have story ideas, pics/videos you'd like us to share and/or any other updates/promotions or student/alumni/employee success stories, please submit a [marketing request](#) (employees) or email marketing@lsc.edu (non-employees) so we can include it in the newsplash, on LSC's website and on our social media. Thanks for helping promote all the positive things happening in #IceHawkNation!

Fall 2022 Scholarships

Application window is
February 14 - March 14.
