Lake Superior College Students Shine at Skills USA Minnesota Conference

Two Lake Superior College students placed gold at the Skills USA Minnesota Conference and are going to nationals. Owen Rostis won for Job Demo Open, and Nicole Ehresman won for Welding Sculpture.

Therese Gannucci, Owen Rostis, and Brett Thompson competed in Chapter Display and won silver. Brett Thompson also competed in CNC Milling Technician. Congratulations, IceHawks!

LSC Foundation Celebrates a Record Year During the Annual Dinner & Community Celebration

What an amazing night! Thank you to all who attended the Lake Superior College Foundation Annual Dinner and Community Celebration last Thursday at the Clyde Iron Works Malting Building. The LSC Foundation celebrated another successful year as contributions were up 30% and, most importantly,

the LSC Foundation served and supported more students in FY2021 than any other year in the Foundation's nearly 40 year history! This simply wouldn't be possible without the strong support from our community and all who contribute to the LSC Foundation. Special thanks to our talented team who helped organize the event and our generous sponsors: Lake Superior Helicopters, Midwest Communications, KBJR 6 and CBS 3, the Duluth Area Chamber of Commerce, Bell Bank, Flint Group, Affinity Plus Federal Credit Union and Cirrus Aircraft.

The star of the show was Samantha Davis, a radiologic technology student at LSC and scholarship recipient, who spoke about how much it meant to her and her family to receive a scholarship from the LSC Foundation. Samantha and another scholarship recipient, Joseph, were also featured in a [new video](#) that debuted at the Annual Dinner. Joseph will graduate this May with both his AA and his aviation maintenance degree. These impressive students are two of several hundred who have received support from the LSC Foundation this past year, which is made possible thanks to the generosity of our community and donors. Thank you for helping support students at LSC, by supporting the LSC Foundation! See [more photos](#) on the LSC Foundation Facebook page.

LSC Transfer Center Celebrates Grand Opening

A grand opening celebration was held today for the new LSC Transfer Center. The Transfer Center (L130) opened for Spring 2022 semester as a dedicated place where students can find all things transfer related. Students have the opportunity to meet with partner institutions, LSC advisors, and faculty during scheduled visiting hours, view our LSC transfer pathway guides, and use the computer to aid in their transfer journey whether it be searching for classes, applying to a four-year institutions, or viewing Transferology to explore how their LSC courses transfer.

Erickson Library Hosts Wolf Fair and Art Exhibit

LSC's Erickson Library hosted representatives from the International Wolf Center, the Wildlife Science Center, Timber Wolf Alliance, Wildwoods, and the Great Lakes Indian Fish and Wildlife Commission for a Wolf Fair and Art Exhibit. Visitors learned about the role wolves play in the Northland's ecosystem.

"We have a passion for wolves," says Kate Rolfe, one of the librarians at Lake Superior College, "and that they are an essential part of the ecological system that we have in Minnesota and across the Nation." See full story on [Fox21](#), and additional coverage on [CBS3](#) and [KBJR](#).

LSC's Center for Equity and Inclusion Hosts Cultural Fair

It was a great turnout for the Center for Equity and Inclusion's Cultural Fair on Tuesday. Thanks to all the students, faculty and staff who attended or presented at the fair. Participants could stop by tables to learn more information about the different cultures that are represented here at LSC, hear about traditions they have, and sample foods.

LSC Aviation Open House Scheduled for April 22

LSC will host an Aviation Open House, Friday, April 22, 12:00 - 3:00 p.m. at LSC's Center for Advanced Aviation, located at Hangar 103, 4960 Airport Road in Duluth. Prospective students and their families can tour the Center for Advanced Aviation, try out our flight simulators, and learn about the Professional Pilot and Aviation Maintenance Technician programs, both of which are in high demand. RSVPs are encouraged, but not required. Learn more and RSVP at lsc.edu/AviationOpenHouse.

Upcoming Events and Campus Updates

- LSC's Student Life will host Free Virtual Night Games on Wednesday, April 13, at 6:30 p.m. Safely make new friends while playing multiple

rounds of games in various styles such as party, conversation, tabletop, quick thinking, games and more. Prizes, too! Zoom link and password is available at lsc.edu/Student-Life.

- New Evening Math Tutoring with a professional math tutor Nancy Ziegler is available online, with no appointments necessary. Just drop in via Zoom, Wednesdays and Thursdays, between 3:30 and 8:30 p.m. Learn more about Nancy and find the Zoom link at lsc.edu/MathTutorPM.
- As part of LSC's Computer User Support course, students will offer tech support on your personal (non-LSC) laptop between 12:00 and 2:00 p.m. on Wednesdays in room T170. Available through May 1. Contact shawn.mitchell@lsc.edu with questions.
- The LSC Council on Diversity, Equity and Inclusion invites you to the presentation, The Audacity to be Asian in Rural America, with artist Nancy XiáORong Valentine. The presentation will be Tuesday, April 26, 12-1 p.m., at the Center for Equity and Inclusion (M125). Free lunch will be served at 11:45 a.m., and all are welcome to attend. The event is in celebration of Asian American and Pacific Islander Heritage Month, in May, when we pay tribute to the generations of Asian and Pacific Islanders who have enriched the history and culture of the US.
- Applications are being accepted for the Practical Nursing Diploma to start Fall Semester 2022. The application is open until filled. Apply at lsc.edu/ApplyToNursing.
- Applications are being accepted for the Medical Laboratory Technician (MLT) program to start Fall Semester 2022. There is a critical personnel shortage for medical laboratory technicians, with significant sign-on bonuses being offered locally and regionally. The application is open until filled. Apply at www.lsc.edu/ApplyToMLT.
- Physical Therapist Assistant applications are open for Fall 2022. Apply online at lsc.edu/ApplyToPTA.
- Applications for the Respiratory Therapy program to start Fall Semester 2022 are being accepted now until filled. Apply at lsc.edu/RespiratoryTherapy.
- Applications for the Surgical Technology program to start Fall Semester 2022 are being accepted. Priority will be given to students who have prerequisites completed and apply by March 1. The application is open until filled. For more information and to apply, visit lsc.edu/surgtech.

- Stress Less Days are planned for May 2-5, with a variety of offerings to promote physical, mental and emotional wellbeing. Activities include chair massages, visits from mini ponies, yoga, coffee and conversation and more.
- You are invited to the LSC Spring Choir Concert on Thursday, May 5, at 6:30 p.m., in the LSC Commons. Special guests are the Fond du Lac Tribal & Community College Choir.

Please let us know if you have any story ideas, pics/videos to share and/or any other updates/promotions or student/alumni/employee success stories, please submit a [marketing request](#) (employees) or email marketing@lsc.edu (non-employees) so we can include it in the newsplash, on LSC's website and on our social media. Thanks for helping promote all the positive things happening in #IceHawkNation!

Register for Summer Classes

Get ahead, stay on track, or accelerate your degree with summer classes at LSC.

Classes start June 6.
