

Two LSC Faculty Recognized at the Minnesota State Board of Trustees 2022 Awards for Excellence

Lindsay Mason O'Brien, English Instructor
LAKE SUPERIOR COLLEGE

Lake Superior College's Lindsay Mason O'Brien and Brian Bich were recognized at the Minnesota State Board of Trustees 2022 Awards for Excellence, a system-wide recognition for consistently superior professional achievement of our college and university teaching and service faculty.

Lindsay Mason O'Brien, English, received a 2022 Educator of the Year Award for her devotion to her students and her talent for involving them in their learning. She encourages students to explore content that is meaningful to them and to experience the power of writing and communication in making change happen. [Watch video.](#)

Brian Bich, biology, received a 2022 Outstanding Educator Award. Appreciated for his teaching style and welcoming learning environment, Bich engages students with memorable real-life examples and other approaches to

help them master complex material and creates learning resources for them.

Congratulations, Lindsay and Brian, on this well-deserved recognition! #LSCproud

LSC's Business Professionals of America Students Advance to National Competition in Dallas

Students from Lake Superior College attended the Business Professionals of America (BPA) 2022 State Leadership Conference at Dakota County Technical College on February 25, 2022. LSC chapter members Mercedes Suedbeck, Brooklen Middendorf, Julian Moe, McKenzie Kowarsch, and Jasmine Malone joined other conference delegates from across the state to participate in general sessions and competitive events. Their advisor, Lori Yecoshenko, accompanied the students.

Students who placed in the top five of individual events or in the top two of team events are eligible to attend the National Leadership Conference in Dallas, Texas, May 4-8, 2022. Read the [full story](#) to see the list of qualifying students and their events.

Congratulations on qualifying for nationals, IceHawks, and good luck!

Great Turnout for Last Week's Aviation Open House

Thank you to everyone who attended Lake Superior College's Aviation Open House last week to learn more about both LSC's professional pilot program and the aviation maintenance program. What an awesome turnout! We're working on some exciting updates and partnerships to help grow and enhance the programs, as workforce needs continue to grow too. We'll be sharing some exciting news in the near future about the programs.

**LSC To Hold Spring Open House at Main Campus,
Friday, May 6**

Lake Superior College's Spring Open House will be held Friday, May 6, 11 a.m. - 3 p.m. Prospective students, friends and family members are all invited to tour LSC's beautiful main campus to learn about our 90+ programs and visit labs used for hands-on career and technical programs like automotive, cybersecurity and nursing, and more. Students interested in pursuing a bachelor's degree can start here and save thousands by completing their generals at Lake Superior College and then take advantage of our many transfer pathways. RSVPs encouraged, but not required. Learn more and RSVP at lsc.edu/openhouse.
