The application form for the Ordean Grant for medical and trade programs is below. Complete the application carefully. **Incomplete or incorrectly completed applications significantly delay processing.** Contact the Lake Superior College Financial Aid Office at 218-733-7601 if you have questions.

Please note the following:

1. At least 50% of your enrolled courses must be within the technical portion of your program. If you are enrolled for less than 50% technical courses in any given term, or if you are taking courses that are not required by your program, your application will be denied.

2. You must have received a Financial Aid award letter from the LSC Student Services Center **before** the Ordean Grant application is submitted. Your Ordean Grant application will not be considered until you have received your award letter.

3. First priority will be given to independent students who have a complete application prior to July 30. All other applications will be processed on a first come, first served basis. A “complete application file” means the student has:
   - Received an LSC award letter
   - Submitted a complete Ordean Grant application to Lake Superior College. If the fund is exhausted, eligible applicants will be placed on a waiting list based on the receipt of a complete application.

4. Students receiving an Ordean Grant are sent a letter indicating the maximum amount of Ordean Grant they are eligible to receive. The maximum amount of Ordean Grant is $1,000 per semester or the total Authorized school charges which include tuition, fees, books, and other items required by the student’s program and sold by the LSC Store, **whichever is less.**

5. If a student has been awarded both WIA (Workforce Investment Act) funds and an Ordean Grant, the Payment Office will charge against WIA funds first. Only remaining charges, if any, can be charged against the Ordean Grant.
The Ordean Foundation of Duluth has provided funds for students in medical and trade programs. If you meet all of the following criteria, you may apply for Ordean Grant funds:

- The student **must be enrolled** in one of the following LSC programs:
  a. Dental Hygiene
