## Student Success Accountability Metrics

*Of students who took developmental reading, writing or math within two years of the fall entering cohort term, those who completed all developmental coursework within one year.*

*Percent of a fall entering cohort of regular and transfer students who have been retained, graduated or transferred by the second fall term following original fall enrollment.*

*Percent of an entering cohort of undergraduate regular and transfer students that has completed. Completion is measured as graduation by the end of the third spring after entry at the colleges.*

*Percent of a cohort of students or graduates that passed a state or national licensure LSC licensure exam. LSC data pertain to the Nursing and Radiological Technology programs.*

*The percent of graduates who were available for related employment in the year after graduation who reported they were employed during the year after graduation in a job that was related to their program or major.*

*NOTE: Due to the unusual circumstances surrounding COVID-19, the established standard for obtaining an 80-85% response rate to the graduate follow-up survey was not met for the FY2019 cohort of graduates from Lake Superior College. Caution should be exercised in interpreting survey results in that they may not be fully representative of the graduates' outcomes at large.*
