Import your courses 

Don't see your course listed? [Add it yourself.](#)

After selecting the “Import your courses” link, you will receive a pop-up notifying you that you are about to leave Transferology to Import your courses.

Select the **“Yes”** option to continue.

You will be redirected to eServices at the selected college/university. **Login** with your **StarID** and **password**.

If you have courses, you will receive a message that your courses were sent to Transferology.

There are three possible messages in eServices that you could receive:

- Your transcript for [school] has been sent to Transferology. Please logout and you may close this window.
- No courses were found for [school]. Please logout and you may close this window.
- Something went wrong. Your transcript for [school] has not been sent to Transferology. You may submit a help desk ticket. Please logout before closing this window.

IMPORTANT: Select the **“Logout”** option in eServices before going back to Transferology. If you have courses from multiple Minnesota State colleges/universities, **you need to logout of your eServices session before going through this process at another college or university.**

Navigate back to Transferology.

Refresh your Transferology page and your courses will be listed under **“My Courses”** after they have been imported.

The screenshot shows the 'My Courses' section of the Transferology interface. A red box highlights the 'My Courses' header and the list of courses from Bemidji State University. A red arrow points from the 'My Courses' header to the list of courses.
