

## What is Pathway to College Success?

**Pathway to College Success** is a collaboration between the Duluth Adult Learning Center - Adult Basic Education and Lake Superior College. It is a free program designed to assist students of any age to successfully transition into college. It is for students who want to refresh/build academic skills with the goal of advancing reading, writing, and/or math skills to college levels.

**How does it work?** With the assistance of a teacher, a program of individualized study will be designed to help you meet your needs and academic goals.

## Who is this for?

**This program is for people who are college-bound who meet one of the following criteria:**

- Have been out of school for several years or
- Have been placed into developmental courses based on the results of the ACCUPLACER®, or
- Have a GED
