

# Scholarship Opportunities

*for Lake Superior College Students*

LSC Foundation gifts over \$200,000 in scholarships and grants to LSC students each year! Foundation scholarships are available to both current and incoming students in good standing (2.0 GPA or higher).

We award scholarships twice per academic year. Generally, the online application opens the first week of fall and spring semesters, with about six weeks to apply through our STARS Online application.

## **APPLY ONLINE:**

**[www.lsc.edu/foundation](http://www.lsc.edu/foundation)**, click "*Scholarships*" button to apply and find more resources about scholarship opportunities at LSC.

The list of available scholarships does change each semester depending on available funds. Program specific scholarship awards are typically \$1,000, while general interest scholarships tend to be \$500 awards.

## **QUESTIONS:**

For further information, contact the LSC Foundation office.
