

SOLOMON ACT REQUEST

I request a list containing student recruiting information for students enrolled full-time at Lake Superior College pursuant to the Solomon Amendment act of 1996. Under these laws, colleges must give the military access to their campuses and provide upon request lists containing "student recruiting information."

"Student recruiting information" is defined as a current student's name, address, telephone number, age (year of birth), level of education (e.g., freshman, sophomore, or degree awarded for a recent graduate), academic major, place of birth, most recent educational institution attended and degrees received.

I represent that this information is to be used for military recruiting purposes only. I acknowledge that the information I am requesting is confidential and cannot be released to anyone outside my organization. I understand that under FERPA, I must destroy the data once it has been used. Please note that Defense Department components (Army, Navy, Marine Corps, Air Force, and ROTC) are entitled to student recruiting information once every semester or term.
