### Notes:

- 1) Caution about the use of data is advisable when the number of "Status Unknown" exceeds 15% of the total graduates.
- 2) Graduates or individuals who know the graduates provided this information, including relatedness of employment to program of study.
- 3) Related Employment Part-time includes graduates who reported related employment but did not indicate the number of hours worked per week.
- 4) Unavailability for Employment includes graduates who chose not to seek work, were unable to work, or were international students who returned to their homelands.
- 5) Status Unknown includes graduates who could not be located or did not respond to requests for information.
- 6) Categories of employment can include some graduates who also reported continuing education but indicated that employment was their preferred classification.
- 7) Continuing Education can include some graduates who also reported employment but indicated that continuing education was their preferred classification.
- 8) Sums of percentages might not equal total percentages due to rounding.
- 9) N/A ("Not Applicable") is displayed in the "Percent of Available" row when there are no graduates available.
- 10) Related Employment Rate is based on those in "Related Work Full-time" and "Related Work Part-time" to "Total Available for Related Work."
