- <https://uniontestprep.com/teas>
- <http://www.teaspracticetest.com/>
- <https://www.mometrix.com/academy/teas-test/>

Tutor.com

- Online tutoring offered to students through LSC. 15 hours of free tutoring per year with 24/7 access.
- Web address: Accessed through link on D2L e-Campus.

Khan Academy

- Not specifically focused on TEAS but has comprehensive range of content covering information needed to know on the TEAS. Videos on cellular biology, chemistry, anatomy and physiology, math, etc. Great for refreshing yourself on content.
- <https://khanacademy.org/>

Crash Course

- Not specifically focused on TEAS, but covers content needed on the TEAS - more of an overview of each topic than details.
- <https://www.youtube.com/user/crashcourse/playlists>

Books (available for use in the Tutoring and Learning Center):

ATI TEAS Study Manual, 6th edition (Assessment Technologies Institute LLC)

ATI TEAS Test Study Guide 2017 (Trivium Test Prep)

ATI TEAS Secrets Study Guide 2017 (Mometrix Test Preparation)

Ask a tutor for assistance finding or using any of these resources!
